Good afternoon, Shira:

The DuPont Police Department received a public information request from you, and your request mentioned:

1) A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law; 2) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023; 3) Reports summarizing and analyzing the vehicle pursuit data for your agency, produced for internal and/or external publication(e.g. periodic reports required for WASPC and/or CALEA accreditation, newsletters, materials provided to government officials) produced between 2019 through 2023.

Our procedure is to locate records, review them for exemptions, and then prepare them for your inspection and/or copying.

Due to the size of your request, we will be providing responsive records (if any) in installments, and we reasonably believe that your first installment will be available **on or before October 4, 2024**. If public records become available in advance of this estimate, we will contact you promptly. Conversely, if the DuPont Police Department encounters a need to extend our estimate, we will contact you promptly with a revised estimated date.

If you wish to receive responsive records by means other than in an Email format you may contact us directly to make arrangements; however, please note that charges for copies and postage may apply.

Thank you for your patience in awaiting this information.

If you have any questions, or wish to discuss this further, please contact our office at (253) 964-7060 or police@dupontwa.gov.
