Narrative**Supervisor Summary**

On 04/29/23 Officer Williams attempted to stop a vehicle for traffic violation. Upon activating his lights the vehicle slowed while pulling partially off the roadway. The vehicle then continued to accelerate and got back onto the road. The vehicle failed to stop at the stop sign at Sylvan Way and Perry Avenue while turning N/B onto Perry Avenue. The vehicle then accelerated rapidly on Perry clearly eluding attempts to stop it. Officer Williams discontinued trying to stop the vehicle and turned the opposite direction of the vehicle. I reviewed his dash camera footage and found that when Officer Williams activates his lights to stop the vehicle it continued to drive E/B on Sylvan at a normal rate of speed and then stops at Portersville Road. The driver then pulls back onto Sylvan and continues E/B as Officer Williams activates his siren the driver appears to accelerate but just over the speed limit of 25. Once the vehicle reaches the stop sign for Sylvan and Perry he fails to stop at it and turns N/B. At this point Officer Williams turns off his lights and siren and turns S/B off the path of the vehicle as it is clear the vehicle is evading him. I believe Officer Williams's actions to be within policy.
