1. OFFICER B. LANE

INVESTIGATION:

On 1/27/2020 at approximately 2043 hours, I, Officer B. Lane of the East Wenatchee Police Department, was dispatched to the area of Bellagio Nail Salon, located at 511 Valley Mall Parkway #D6, on the report of a disturbance. RiverCom advised that a male with a machete had threatened 2 females in the nail salon and fled on foot.

I arrived in the Wenatchee Valley Mall area with Officer Gregory and Sgt. Fauconnier at approximately 2044 hours. RiverCom advised the male suspect, later identified as Quan Pham, had fled the area southbound in the direction of 3rd Street NE in a silver vehicle described as a Mercedes or Subaru type vehicle. RiverCom advised the machete was left at the scene.

As we checked the area Sgt. Fauconnier advised he was behind a similar vehicle leaving the area and heading westbound over George Sellar Bridge into Wenatchee. Due to my close proximity to Sgt. Fauconnier I responded to his location as he conducted at traffic stop on Ferry Street in Wenatchee. He quickly advised that the subject was not the suspect and I cleared the location and responded back to Bellagio Nail Salon to contact the Reporting Party and victims.

Upon my arrival I contacted reporting party Wenatchee Valley Mall Security Officer Constance Bauncey, she was standing with a group of witnesses and both victims. I confirmed there were no injured parties and continued to speak with Bauncey. She turned over the machete which was left behind by Quan. She did not witness the incident occur, but she saw Quan flee the area. I collected the black machete as evidence and secured it in my vehicle. As I secured the machete in my vehicle Sgt. Fauconnier had arrived on scene and located the packaging of the machete and sheath, which was on the walkway leading to the mall entrance closest to the nail salon. The machete appeared new and had a twist tie attached to the handle, which matched the discovered packaging. The packaging was collected as evidence and secured in my patrol vehicle.

I returned inside and contacted victim [REDACTED] 4B-Child victim Quan's [REDACTED] 4B-Child Prior to obtaining her statement I asked if she knew where Quan is living or where he may be headed. [REDACTED] 4B-Ch victim stated she believed he is living out of his car and did not know where he may be headed. I contacted the second victim, [REDACTED] 4B-Child victim who is [REDACTED] 4B-Chi mother and Quan's ex-wife. I also asked her if she knew where Quan would be headed, she stated she did not know.

I then spoke with 3 witnesses, Aaron Moncayo, 4B-Child victim and Eloy Garcia-Casillas. All 3 subjects were given written statement forms. The forms were completed, collected, and later attached to this case. The statements from the witnesses corroborated the preliminary statements from 4B-Child and 4B-Child

I spoke to 4B-C victi and asked if I could audio record her statement. She agreed to provide an audio recorded statement. The recorded statement was later attached to this case as evidence.

4B-Chi victi stated Quan is 4B-Child. She said they do not live together, and Quan had been the restrained party in a past protection order, which had expired. 4B-C victi stated she occasionally will visit Quan if he is in the area. Earlier in the day she had a planned meeting with him at approximately 1600 hours. She said she met with him in the Wenatchee Valley Mall parking lot and got into his vehicle. She said they had driven around Wenatchee and East Wenatchee and talked for a while. She described the encounter as typical for their meetings. During their talk she stated he seemed to have fallen on hard times, describing running out of money and being homeless.

At approximately 2000 hours she told Quan it was time to return to the salon. 4B-C victi stated she told Quan it was getting late and she wanted to get home and get ready for school the next day. Quan drove back to the mall parking lot but did not stop at the entrance to the mall she needed to go through. 4B-C victi asked him to stop the vehicle, Quan continued to drive through the parking lot. 4B-C victi stated she began to yell at Quan and repeated told him to stop the car so she could leave. 4B-C victi stated she began to unlock the door in an attempt to escape, even as the vehicle continued in motion. Quan saw her take her seatbelt off and yelled that he had a gun. As Quan stated he had a gun he began reaching into the rear seat area and searching for something. Quan then told 4B-C victi that she needed to put her seatbelt back on or he was going to kill her. Quan also stated they were both going to die. 4B-C victi stated she stopped trying to escape so Quan would calm down. Quan also grabbed 4B-Chi victim cell phone out of her hands.

Quan continued to drive around East Wenatchee while talking with 4B-Child victim. 4B-Child victim stated she was afraid Quan was going to kill her. 4B-C victi stated she eventually convinced Quan to take her back to the mall by telling him she was on her period and needed to use a bathroom. Quan drove the vehicle back to the mall parking lot and parked near the Apen Dental building. Quan stopped, got out, and began going through the truck. 4B-C victi did not know what he was looking for and she remained seated in the front passenger seat. 4B-Chi then tried to exit the vehicle. Quan ran over to the open passenger door and grabbed onto her shoulders and tried forcing her back into the vehicle. Quan pushed her back and her head struck the A-pillar of the vehicle. 4B-C victi managed to fight her way out of the front passenger seat but Quan then tried to force her back into the rear passenger seat. 4B-C victi fought back and was able to free herself. She ran towards the mall entrance and ran inside to Bellagio Nail Salon, where her mother 4B-Child was working.

4B-Chi victi contacted her mother at the entrance of Bellagio Nail Salon and immediately told her to shut the doors because Quan was trying to kill her. Several seconds later Quan came running into the Salon with a large black Machete in his hand. 4B-C victi stated Quan grabbed onto her and 4B-Child and began shouting at them. Quan yelled at them to sit down and continued to wave the machete around. 4B-C victi stated 2 witnesses in the mall noticed what was happening and came into the salon and yelled at Quan. 4B-C victi said they took the machete away from him made him sit down. 4B-C victi said she and 4B-Child ran out of the store

and into the mall. 4B-C victim said she saw Quan exit the salon and leave the mall.

4B-Ch was provided with a written statement form, which she stated she would complete and return to EWPd on 01/28/20. 4B-C victim was also provided a copy of a completed Domestic Violence checklist form.

I contacted Sgt. Fauconnier via phone and advised him of the circumstances of the incident. I advised there was probable cause for Quan Pham's arrest for Kidnapping 1st Degree, Unlawful Imprisonment, and Harassment - Threats to Kill, and the possible involvement of a firearm. Sgt. Fauconnier contacted RiverCom and had them issue an Attempt to Locate for Quam Pham. RiverCom was able to locate a License Plate number to the involved vehicle, a silver 2005 Lexus LS sedan WA Lic# BGP6130. Surrounding agencies were advised of the incident and suspect information.

I spoke with 4B-Child victim and asked if I could audio record her statement. 4B-Child agreed to have her statement audio recorded. 4B-Child stated Quan was her ex-husband and there had been a protection order in place between them. She stated the protection order had expired. 4B-Child stated she was working the front desk at the nail salon when her daughter 4B-C came running into the store. She said 4B-Chi looked very scared and she was crying. She stated 4B-C victim said Quan was trying to kill her and to close the doors. 4B-Child stated she then saw Quan come running into the store waving a large black machete. She said Quan yelled 4B-C to sit down. Quan then grabbed onto her and 4B-C and began pushing them around and waving the machete. 4B-Child said she was afraid Quan was going to kill them. 4B-Child said 2 witnesses came into the store, confronted Quan, took his machete, and made him sit down. She said she and 4B-C victim then ran out of the store into the mall. She stated she saw Quan leave the store and run out of the mall.

4B-Child completed a written statement form, which was later attached to this case. 4B-Child was also provided with a copy of a completed Domestic Violence checklist form.

At 2231 hours Deputy Schlaman located the vehicle traveling in the 1800 block of Eastmont Ave. Deputy Schlaman attempted to conduct a traffic stop on the vehicle. The vehicle failed to yield and proceeded to elude Deputy Schlaman. The pursuit continued through East Wenatchee and into Wenatchee. I joined the pursuit as the third unit as it traveled into Wenatchee. Wenatchee PD, Chelan County, State Patrol, and additional Douglas County units joined the pursuit as it proceeded into Wenatchee. Several attempts to deploy spike strips were made. As the vehicle traveled through Wenatchee lead Officer in the pursuit, Officer Gregory, advised that the driver appeared to be dumping liquid out of the vehicle which smelled like gasoline. The vehicle was eventually spun using a PIT maneuver by Chelan County Deputy Deputy Risdon in the 1600 block of N Wenatchee Avenue. The vehicle regained forward momentum and moments later it burst into flames, fully engulfing the passenger compartment. The vehicle slowly rolled into the parking lot of Sav-Mart in the 1700 block of N. Wenatchee Avenue and Quan rolled out of the driver's side door and only the ground as the vehicle continued to roll away. Quan was fully engulfed in flames as he lay on the ground.

I quickly approached Quan with multiple officers and several fire extinguishers were used to put out the flames. Quan was placed in handcuffs and medics were immediately requested to render aid. Quan was transported to CWH for treatment. Quan suffered severe extensive burns over the majority of his body. Due to the extreme nature of Quan's injuries he was released from custody while at CWH. Quan was

transported via ambulance to Ephrata airport for airlift to Harborview Medical Center for further treatment.

See supplemental reports by other involved agencies for additional details of the incident.

Forward this case to Douglas County Prosecutors for review and charges of related offenses.

INVESTIGATION:

On 1-27-20 at about 2043 hours East Wenatchee Police Officers were dispatched to a disturbance at 511 Valley Mall Pkwy #D6; Bellagio Nail Salon inside Wenatchee Valley Mall. A male had threatened subject inside the salon with a machete and left on foot. The male then entered a silver vehicle and left the area.

East Wenatchee officers arrived in the area and checked for the male and vehicle but were unable to locate either. Prior to contact with the RP and victims RiverCom911 dispatch was advised that the victims know the male and the male was possibly the father of one of the victims.

Officer Lane contacted the victims at the salon and Officer Gregory, and I checked possible local addresses that could be associated to the male. The suspect was not found.

I arrived at the mall and went inside to assist Officer Lane. Prior to walking inside I noticed a plastic and cardboard wrapping in the shape of a machete. Nearby was an olive drab colored sheath. I photographed the items and recovered them.

Officer Lane was inside getting initial information. I gave the machete wrapper and sheath to Officer Lane and asked him to get audio and written statements from the victims and written statements from any additional witnesses.

Officer Lane confirmed the suspect as PHAM, Quan H. DOB 05-10-71 [REDACTED] 4B-Child victim

[REDACTED] 4B-Child victim

and ex-husband

[REDACTED] 4B-Child victim

Restraining orders exist between the parties with [REDACTED] 4B-Child victim and [REDACTED] 4B-Child victim be petitioners and PHAM, Quan being the respondent. However, these orders have not been served.

While Officer Lane obtained audio and written statements, I called Detective Johnson. Det Johnson advised that upon initial information there appeared to be probable cause for assault 2nd, felony

harassment and unlawful imprisonment however we would review charges once the statements were complete.

An ATL was broadcast to surrounding agencies. Information was also sent to Ellensburg area agencies, since PHAM, Quan had DOL information tying him to that area.

After obtain victim and witness statements. The ATL was updated with a firearms caution and probable cause for Kidnapping and Threats to Kill. 4B-Child victim had stated that PHAM, Quan had physically restrained her from leaving his vehicle and threaten to kill her with a pistol he claimed to have. (SEE VICTIMS STATEMENTS FOR DETAILS)

Officer Lane and I were clearing the scene when DCSO Corporal Schlaman advised he was behind the vehicle in the 1800 block of Eastmont Avenue. Officer Gregory arrived to assist a short time later and the attempted to stop the vehicle. The vehicle fled once the stop was initiated and Officer Gregory and DCSO Corporal Schlaman pursued.

During the pursuit PHAM ran a red light at 19th ST NE and Sunset Hwy nearly striking vehicles and swerved towards other police vehicles.

PHAM stopped for a brief time at 7-11 in East Wenatchee but fled before units could contain him.

PHAM then crossed the George Sellar Bridge to Wenatchee. Once in Wenatchee, PHAM circled streets between Mission Ave and Wenatchee Ave. During the pursuit in Wenatchee Officer Gregory observed the male throwing liquid out of the vehicle and noted that it smelled like gasoline.

I attempted to set up spike strips at Ferry St and S Wenatchee Ave but was only able to deploy a single section of the strip. PHAM missed the strip and continued.

As the pursuit continued through Wenatchee Officer Gregory asked if any units were certified to PIT. CCSO Corporal Risdon advised that he was, and I authorized him to PIT. CCSO Corporal Risdon attempted a PIT maneuver at about the 1600 block however PHAM continued to drive. Suddenly the vehicle caught on fire and PHAM exited the vehicle, falling to the ground. Units quickly put out the fire with extinguishers, cuffed and patted PHAM down for weapons. RiverCom911 was notified on the situation and asked to expedite aid crews.

During this time PHAM was talking and stating that he was sorry. PHAM was badly burnt, and his clothes were mostly melted. PHAM's skin was releasing from his body and hair was charred.

Fire crews responded to the vehicle and confirmed it was no longer on fire. The battery was disconnected, and the inside was checked for additional hotspots. PHAM was transported to CWH and later transferred to Harborview Medical Center in Seattle.

Due to the seriousness of the crimes and the injuries to PHAM, Assistant Chief Coble was notified. Assistant Chief Coble and Chief Tom Robbins arrived on scene. It was decided that EWPD would investigate all criminal matters of the case and WPD would investigate the pursuit and subsequent fire

occurring in Wenatchee.

At about 0100 hours fire crews arrived back on scene to check the trunk of the vehicle for other possible accelerants before transporting the vehicle to EWPD for future application of search warrant. The trunk was pried open due to damage to lock from fire.

At 0118 hours fire cleared the scene and Randy's towing arrived to take the vehicle.

At 0147 hours Randy's Towing arrived at EWPD with the vehicle and it was secured in the sally port. Evidence tape was placed over doors, trunk and hood.

I cleared the incident with nothing further.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)

INVESTIGATION:

On 01/27/2020 at approximately 2043 hours, I, Officer K. Gregory of the East Wenatchee Police Department, was dispatched to a disturbance at 511 Valley Mall Pkwy #D6 (Bellagio Nail Salon). Dispatch advised a male with a machete threatened several females in the salon. According to the caller the male was Asian with black hair wearing a grey sweatshirt and blue jeans.

I responded to the area with East Wenatchee Officer lane and Sgt Fauconnier. Dispatch advised the, male had fled on foot prior to our arrival. The male was reported driving a Silver passenger car heading towards 3rd St NE near McDonalds. The callers then reported last seeing the suspect vehicle heading towards Eastmont Ave.

As I was responding to the area, I heard Sgt Fauconnier call out behind a vehicle matching the description given by dispatch, as it was heading over the bridge into Wenatchee. I turned around and headed to assist Sgt Fauconnier in Wenatchee. Prior to my arrival, I heard Sgt Fauconnier conduct a traffic stop on the vehicle along with other Wenatchee Officers backing him. Upon contact with the driver it was found to be the wrong vehicle and had a female driver not associated with the call.

Officer Lane had been interviewing victims involved in the disturbance while I was the area looking for the suspect vehicle. Upon getting further information from Officer Lane, He advised the victims gave him the following information. The suspect was found to be (Quan Pham 05/10/1971) 4B-Child victim

4B-Child victim. The other victim was found to the 4B-Child victim (4B-Child victim 4B-Child victim. After the interview, Officer Lane advised there was probable cause to arrest Quan for Kidnapping 1st degree, Unlawful Imprisonment DV and Harassment threats to Kill.

East Wenatchee Officers were unable to locate Quan, Sgt Fauconnier put out an attempt to locate (ATL) broadcast to all surrounding agencies for the probable cause for Quan. After completing victim interviews and statements, Officer Lane updated the ATL with a firearms cation with threats to kill.

After Officer Lane updated the ATL, dispatch advised they had found a vehicle associated with the male suspect. The vehicle was a Silver 2005 Lexus LS. The vehicle was registered to Kevin Ngo. Kevin was found to live at the same Ellensburg address as the suspect Quan. Upon getting this vehicle information, another update was applied to the ATL for the vehicle.

While continuing to look for the suspect vehicle, at approximately 2231 hours I heard Douglas County Corporal Schlaman advise he was behind the suspect vehicle

in the 1600 blk of Eastmont Ave in East Wenatchee. I was close to the area, I heard Schlaman advise he was following behind and turning west down 15th St NE from Eastmont.

I waited for Schlaman to pass my location while I waited at 15th St NE and Country Club Dr. I noticed the Silver car matching the description of the suspect vehicle is it traveled west on 15th St. I followed as they passed my location.

Schlaman attempted to stop the car as he activated his emergency lights on 15th St NE just before approaching N Baker Ave. The Silver car with Washington plate BGP6130, ran the stop sign at 15th and N Baker and continued north bound on Baker. I advised Rivercom the vehicle was failing to yield, and I would be calling the pursuit.

We continued pursuit as the suspect vehicle turned west on 19th St NE failing to stop at the four-way intersection. We continued west on 19th St at approximately 40MPH. As we approached the intersection at 19th St NE and Sunset Hwy, the silver car ran the red light almost colliding with another vehicle traveling north bound on Sunset Hwy. The silver suspect vehicle continued south on sunset Hwy. I continued following calling the pursuit while Corporal Schlaman was the primary behind the vehicle. The silver suspect vehicle turned on Valley Mall Pkwy off Sunset Hwy continuing at speeds of about 40 mph. As the silver car approached the intersection of 9th St NE, it turned into the 7-11 parking area. The silver car pulled and stopped next to the gas pumps at 7-11. Schlaman exited his vehicle as we prepared to set up for a high-risk felony traffic stop.

Just as I started to exit my patrol vehicle, the silver car took off again on Sunset Hwy south bound. I was now the primary Officer while Corporal Schlaman was now the second patrol vehicle calling the radio traffic on the pursuit. I asked dispatch to find out if Wenatchee PD could set up spikes on the west side of the bridge, Wenatchee wasn't available with spikes. We continued west bound pursuing the vehicle across the George Seller bridge into Wenatchee. The vehicle took the south Wenatchee Ave exit off the bridge heading north bound. I continued following as the suspect vehicle as it continued traveling at the same speed going back and forth between Mission St and Wenatchee Ave. During this time, I witnessed the suspect driver pouring liquid on himself and the roof of his vehicle out of what appeared to be a 16oz water bottle. After the driver squeezed the liquid out of the bottle, he threw the bottle out the window. I witnessed the suspect do this two other times as I continued to pursue his vehicle. After I witnessed the second bottle being poured out, I could smell Gasoline. It was apparent the driver was pouring gasoline on himself and the top of the vehicle. I continued pursuing the vehicle as it drove in circles. As the suspect vehicle turned west up Ferry St, Sgt Fauconnier attempted to deploy

spikes to incapacitate the suspect vehicle. The silver car was able to avoid the spikes as he continued up Ferry St. The suspect ran the red light at Ferry heading North bound on Mission.

The Silver vehicle continued on Mission then east bound on Orondo. Wenatchee Police Sgt Vasquez attempted to spike the vehicle at Orondo and N Mission. The suspect was able to avoid the spikes again. The silver vehicle turned north bound on Wenatchee Ave still failing to yield. Wenatchee Officer were blocking traffic as the pursuit continued through Wenatchee city limits.

I asked dispatch to attempt to get State Patrol to set spikes on N Wenatchee Ave as we continued pursuing the suspect vehicle. At approximately 22:43 hours, I asked Rivercom dispatch to inquire what Officer might be available for a Precision Immobilization Technique (PIT) maneuver to end the pursuit. Chelan County Corporal Risdon was following and advised he was able to PIT the vehicle.

At approximately 22:44 hours, the suspect vehicle was pitted near the Les Schwab on N Wenatchee Ave. The vehicle was spun around and was again facing north bound. The vehicle was still moving slowly toward the parking area of Savmart. Just as the vehicle approached the parking area of Savmart, I heard the flammable liquids igniting. It was apparent the driver had set the inside of his vehicle and himself on fire. The suspect driver came out of the driver's seat on fire as the vehicle continued to roll forward to the Savmart building. The suspect was engulfed in flames as he was laying on the pavement.

I exited my patrol vehicle with a fire extinguisher as other units held lethal cover on the suspect who allegedly possessed a firearm. Upon approach, I extinguished the suspect and immediately called for aid to respond. After putting the flames out, I could see the male was breathing and still moving. The male then started uttering statements about 4B-Child victim Corporal Schlaman and I placed restraints on the suspect gauging and double locking both.

Ballard Ambulance arrived and transported Quan to Central Washington Hospital. Officer Lane rode in the rear of the ambulance to assist if needed. Due to the severity of his injuries, Quan was later transported to Harborview medical center in Seattle.

The crime scene was taped off and processed by Wenatchee PD and East Wenatchee Police.
