Narrative**Supervisor Summary**

I was not on duty at the time of this pursuit. I reviewed the report written by Cpl Chesney and reviewed BWC and IVC cameras. At approx. 0352 hrs Cpl. Chesney (the shift supervisor) located a stolen vehicle parked in the Winco Parking Lot. Cpl. Chesney was in full police uniform and was driving a fully marked black and white police SUV with red and blue lights. Officer Chesney parked in the lot waiting for additional units when the vehicle began driving away. At approx. 0354 hrs Cpl. Chesney was nose to nose with the vehicle in the parking lot driveway and he activated his emergency lights signaling the vehicle to stop. The vehicle immediately backed up and fled through the lot at a high rate of speed; the loud engine revving could be heard on both BWC and IVC. Cpl Chesney terminated his attempt to stop the vehicle within two seconds, and did not follow the vehicle through the parking lot. He rotated his car around and the vehicle could be seen fleeing onto Bay Vista Blvd at a high rate of speed and the loud engine could be heard in the distance. Cpl. Chesney got a look at the driver and was able to identify him. The immediate termination of the pursuit was in compliance with state law and policy.
