Supplemental Narrative

Details of Supplemental Narrative:

On 03-15-20 at about 0425hrs, I was traveling northbound on 284th Ave SE at about Alpine Pl when I observed a red passenger car (WA Lic# BNP3410) pull onto 284th Ave SE from the 43900 block. The vehicle was now traveling northbound and immediately signaled left where there was no roadway to enter. The vehicle then continued straight and now signaled right in the 43600 block and pulled to the right. I pulled behind the vehicle and a records check showed that the registration expired 01-24-20 and showed a report of sale 03-03-2020 to a Richard Ponder.

The vehicle now began to pull back into the lane of travel and this is when I activated my emergency lights. The vehicle began to accelerate very quickly. I activated my siren and continued to follow northbound. The vehicle recklessly passed several vehicles that were in the same lane of travel. At one point, the vehicle entered the southbound lane as 2 vehicles were approaching southbound. This is when I terminated and shut down my lights and siren and advised dispatch. This occurred in the 41100 block of 284th Ave SE. At the time of termination we were traveling at speeds over 100mph.

I could see that the male driver had shoulder length dark hair. This ends my involvement in this case.

I certify under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

This declaration was submitted from an electronic device that is owned, issued, or maintained by the Enumclaw Police Department on this 15th day of March 2020, at Enumclaw, Washington.
