On 01/06/2023, at about 0405 hours, I was dispatched to assist Bonney Lake PD with a Robbery suspect which they pursued into the City of Sumner, where the vehicle crashed. I responded with my issued sUAS (Small Unmanned Aerial System) DJI Avata, serial 2300600245, where I deployed the sUAS, in the 500 block of Harrison St, Sumner, WA, in an attempt to locate suspects who fled from the vehicle in coordination and support of the K9 track. I provided aerial observation of the general track and I used to sUAS to search hard to locate areas, such as the fence line, high bank and other tight spaces.

Once the drone was out of it's deployable battery life, I safely landed and assisted on perimeter. I recorded and uploaded the video I took to evidence.com. This concludes my involvement in this case.

Officer T. Lyons #365
