Synopsis:	Traffic Stop in the 21100 block of State Route 410 E. Vehicle fled from Officers and pursuit was terminated. Report for information only.
-----------	---

Narrative:	<p>On November 2nd, 2019, at approximately 2158 hours, while working routine patrol in my department issued patrol vehicle, I (Officer Austin Marty) observed a red Mercury Sable bearing WA license AYL3847 parked near the gas pumps in the Fred Meyer parking lot located at 20904 State Route 410 E (SR 410 E).</p> <p>Additional Information: I attempted to conduct a traffic stop on the same vehicle on October 25th, 2019, after observing the vehicle leaving the Fred Meyer parking lot. I terminated after the vehicle began driving recklessly into oncoming traffic eastbound on 96th St E from 214th Ave E. It should be noted that on my following shift (10-24-19), SS911 dispatch advised a red Mercury Sable fled from Auburn PD Officers after an armed robbery. They gave a partial plate of "AYL" which matched the plate on the Mercury Sable</p>

that fled from me the night prior. After further investigation using the vehicles license plate number, I learned that Christopher S. Sandner (08-15-84) had previously been contacted in the vehicle in the Fred Meyer parking lot by other Bonney Lake Officers.

I conducted a records check on the Sable which revealed the license tabs expired on 12-05-16, along with a report of sale from 06-30-18, exceeding the 45 day limit to transfer a vehicles title. Moments later, I observed a white male subject, thin build, wearing a black jacket enter the driver's seat of vehicle. The vehicle pulled out of the parking stall and began traveling eastbound through the parking lot towards 211th Ave E. I got behind the vehicle and activated my emergency lights as the vehicle made an eastbound turn onto SR 410 E from 211th Ave E. The vehicle immediately took off at a high rate of speed eastbound towards 214th Ave E. I continued to follow the vehicle with my emergency lights and siren activated. Officer Eby and Mahlum arrived to assist me.

As the vehicle approached the intersection at 214th Ave E, it appeared the vehicle began to make a northbound turn onto 214th Ave E, but quickly changed direction and continued traveling eastbound on SR 410 E, entering the westbound lanes. The vehicle continued eastbound in the westbound lanes of SR 410 at a high rate of speed. Officers continued to follow the vehicle as it approached the intersection at 234th Ave E. As the vehicle passed through the intersection at 234th Ave E, Officers were advised by Sgt. Boyle to terminate the pursuit. All Officers shut down their emergency equipment at which time the vehicle entered the eastbound lanes and continued eastbound on SR 410 E at a high rate of speed.

The total distance of the pursuit was approximately 1.7 miles, with speeds reaching in excess of 90 miles per hour. The roads were dry and there was light traffic.

After terminating the pursuit, SS911 dispatch advised the Sable was a "possible" suspect vehicle from an armed robbery in Auburn, but stated there was no probable cause for the vehicle.

During my following shift (11-03-19), I responded to the Fred Meyer and spoke with a loss prevention employee who showed me video of the main entrance located on the north side of the business. I observed a male subject wearing a black jacket exiting the main entrance of the Fred Meyer, just a few minutes prior to the subject entering the Sable in the parking lot. The clothing and physical description of the subject exiting the store matched the description of the subject who entered the Sable. I later viewed a booking photograph of Sandner, and was able to positively identify the subject inside of Fred Meyer as Sandner. It should be noted that Fred Meyer is not equipped with cameras that view the area of the parking lot that the Sable was parked in. I was never able to observe Sandner entering the Sable from Fred Meyer's cameras.

It is believed that Sandner was the driver of the Sable, but probable cause does not exist at this time.

I completed a pursuit form which I later emailed to Sgt. Boyle.

This report is for information only.

Nothing further.
