Narrative

Supervisor Summary

Cpl. Chesney attempted to stop a vehicle with no plates and for traffic violations. The driver refused to stop and fled from Cpl. Chesney accelerating away. Cpl. Chesney did not chase after the vehicle and began looking for the vehicle in the area. The vehicle was located parked and unoccupied. Cpl. Chesney did follow up with the registered owner but was not able to contact. No suspect was able to be identified.

I watched Cpl. Chesney's dash camera and observed him try to stop the vehicle in the parking lot of the old QFC on Kitsap Way by activating his lights. The driver pulls onto Kitsap Way W/B and appears to accelerate. Cpl. Chesney activates his siren in an attempt to ensure the driver knew he was trying to stop him. When it is evident that the driver was not going to stop for him, Cpl. Chesney deactivates his equipment and slows to normal driving. The suspect vehicle accelerates well out of Cpl. Chesney's view and continues W/B on Kitsap Way. Cpl. Chesney checks the area for the vehicle but does not find it until much later.

Cpl. Chesney made the correct decision to not continue after the suspect vehicle and drove at a normal pace the direction he last saw the suspect vehicle. The vehicle was well out of his view as he started looking for the vehicle and he did not have his emergency equipment activated. Per the policy 313.32 "When a supervisor directs the pursuit to be terminated, officers shall immediately stop following and as soon as it is reasonable to do so, take the first turn off the suspect's path to get out of the suspect's line of sight. This is to encourage the suspect to slow their escape."

Cpl. Chesney was not terminated by a Supervisor and was not in pursuit so he did not take the first turn off the suspects path but did lose line of sight of the vehicle. I spoke with him about this and he knows that the policy states if a "supervisor" terminates a "pursuit" he needs to take a turn off the path however he made the decision himself to not try and stop a vehicle which was not going to stop for him.

I believe Cpl. Chesney's actions to be within policy and the correct decision was made to terminate an attempt to stop the vehicle.
