Synopsis: Assist with stop stick deployment and containment.

Narrative:

On 01/06/2023 at about 0353 hours, I was on routine patrol in a fully marked patrol vehicle and in a fully marked department uniform within the City of Sumner, Pierce County WA. Sumner Police share radio dispatch with the City of Bonney Lake Police Department. I heard a call dispatched to Bonney Lake PD involving a critical incident, dispatched as an armed robbery. I heard a Bonney Lake PD unit was with the vehicle and a pursuit was initiated when probable cause for robbery was found. The Bonney lake unit updated Dispatch the pursuit was west bound on SR 410, towards Sumner, WA.

I positioned to assist the Bonney Lake units at the SR 410 on-ramp from 166th Ave E. Bonney Lake PD requested spikes and I informed them over dispatch I had spikes ready at my location. I confirmed the description of the suspect vehicle as a white Hyundai sedan. As the suspect vehicle and pursuing Bonney Lake Officers approached me, I already had the stop sticks set up across the roadway. As the involved vehicles neared my location, there were at least two other civilian vehicles in the lanes of SR 410 westbound at the same time and place the suspect vehicle reached my location. I was unable to pull the spikes across because of potential harm to the civilians. However, it appeared the suspect vehicle went partially onto the shoulder where my stop sticks were staged and partial ran over one of the sticks, flattening one of the tires on the suspect vehicle. I discovered the tire was flattened once the Bonney Lake units located the suspect vehicle and a foot bail of the suspects occurred.

I collected my stop sticks which were destroyed. The cord to the sticks wrapped around a civilian's vehicle and drug the stops sticks, breaking the cord reel off and destroying it. There appeared to be no damage to the civilian vehicle and the civilian was unharmed. I continued to trail behind the pursuit to help establish containment. Shortly after the suspects foot bailed at Traffic Ave and the SR410 off-ramp. I assisted with containment as directed. I have nothing further.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
