INVESTIGATOR'S NAME(S):

1. OFFICER B. LANE

INVESTIGATION:

On 11/30/20, at approximately 2300 hours, I was working patrol for East Wenatchee Police Department. I was driving a marked patrol vehicle and wearing full uniform. I was responding to the area of 2100 8th Street NE to assist DCSO on an active Burglary call at their request.

While responding to the location I was traveling eastbound on 9th Street NE approaching the intersection with Eastmont Ave. As I approached the intersection I observed a blue and silver Dodge truck(WA LIC# C36475V) turn onto eastbound 9th Street NE from northbound Eastmont Ave. I caught up to the vehicle as it traveled through Misawa Way and onto eastbound 8th Street NE. The Dodge was traveling at a slow rate of speed, slightly under the speed limit.

Due to the active nature of the DCSO call I was responding to I activated my emergency lights with the intent of passing the Dodge and continuing eastbound on 8th Street NE. Immediately after I activated my emergency lights and siren the vehicle accelerated rapidly and swerved into the center lane. The vehicle made no attempt to yield and continued eastbound at a high rate of speed. The vehicle turned left onto northbound N James Ave and continued at a high rate of acceleration until it reached the intersection with 10th Street NE. The vehicle failed to stop at the stop sign and turned left onto westbound 10th Street NE. The vehicle then traveled briefly westbound before turning right onto northbound N Jackson Ave. While making the right turn onto N Jackson Ave at a high rate of speed the vehicle almost lost control. The vehicle continued on N Jackson Ave and turned left onto westbound Harrison Court. Due to the high rate of speed the vehicle failed to negotiate the corner and struck a parked vehicle on the westbound shoulder of Harrison Court. See Supplemental report by Sgt. Fauconnier for collision details.

The vehicle came to a stopped and I exited my patrol vehicle and drew my handgun to low ready. I shouted commands to the driver to show his hands. Sgt. Fauconnier was also on scene at the time of the collision. As I yelled commands at the driver I observed him exit the passenger side door. The driver's side door was pinned closed by the parked vehicle it was resting against. As the subject, later identified as Christian White, exited the vehicle i ordered him to get on the ground. White ignored all commands and ran through the side yard of 1145 Harrison Ct and jumped over their fence leading into their back yard. I heard what sounded like something breaking or being knocked over shortly after he went over the fence. He was described as a white male wearing dark clothing.

RiverCom advised the vehicle was associated with Christian White and was being sought out earlier in the day by DOC Officers.

I requested WPD units respond to assist in setting a perimeter. I requested a unit respond to the area of Manzanal St NE and Hale Ln. 1K16(Ofc. Ruiz) responded to the area and observed White, who fit the description, running westbound in the 800 block of 12th Street NE. Ofc. Ruiz attempted to contact White and he fled into the front yard of 813 12th Street NE. Ofc. Ruiz was able to catch at detain White in the driveway of 813 12Th Street. See supplemental report by Ofc. Ruiz for further details.

I responded to the location and observed White detained in handcuffs in the driveway. Ofc. Ruiz and other Officers on scene identified White and were familiar with him from multiple prior contacts. I verified White's ID against his DOL and booking photos. Ofc. Ruiz advised that he saw White throw something as he was running into the yard of 813 12th Street NE. After a search of the area a small clear screw top contained was located in the grass which contained

a white crystalline substance, which based on my training and experience appeared to be methamphetamine. The homeowner of 813 12th Street NE was asked if he had seen the container before in his yard. He stated he had never seen it before, and it was not there when he did yardwork on the previous day. The container did not appear to have been there long as it did not have any frost on it, unlike the surrounding ground and all other objects on the ground at that time. It was collected as evidence and later booked as evidence at EWPD.

After White was detained, he would not respond to questions or commands. Aid was requested to evaluate White. Aid arrived on scene and transported White to CWH for further treatment. Officer Sheats followed the ambulance to CWH and stayed with White while he was being treated.

I responded back to the location of the collision and contacted Sgt. Fauconnier. He showed me the location of a broken white vinyl fence on the property of 1038 N Jackson Ave, which was the breaking sound I heard shortly after witnessing White jump the back fence of 1145 Harrison Ct. Sgt. Fauconnier had already contacted the homeowner and verified the fence had not been broken prior to this incident. The homeowner was provided a case number for the damaged fence.

I responded to CWH and contacted Ofc. Sheats and White. I read White his Miranda Waiver directly from my issued Miranda card. White stated he understood and he would speak with me. White denied being the driver of the vehicle involved. White stated he was just walking when Ofc. Ruiz detained him. When White was asked about his prior connections to the vehicle he hesitated and then stated the truck had been stolen from him just prior to the incident. White was unable to explain where it was stolen from, or what he was doing in the area where he was detained. White stopped responding to further questions. At 0410 hours White was medically cleared for booking into jail.

Officer Sheats transported White to CCRJC and he was booked into custody without issue.

Later at EWPD the white crystalline substance found in the container was tested and showed a presumptive positive for methamphetamine. The suspected methamphetamine was booked and later sent to the state crime lab for testing.

Forward this case to Douglas County Prosecutors for review and charges of the following offenses. RCW 46.61.024 - Attempting to Elude, RCW 69.50.4013 - Possession of a Controlled Substance, RCW 46.52.010 - Hit and Run, RCW 9A.48.090 - Malicious Mischief 3rd Degree.
