| Synopsis: | |

| | |
|------------|--|
| Narrative: | <p>This report is intended as a summary of events. I have paraphrased conversations and do not include an exact sequencing of events. For any exact quotes or exact sequencing of events I would refer the reader to my body worn camera, as it was recording at the time of this incident.</p> <p>During this incident, I was working as a patrol officer for the City of Bonney Lake. I was wearing a fully patched BLPD patrol jumpsuit and operating a fully marked BLPD Chevrolet Tahoe with POLICE decals on both sides. My Patrol car was equipped with blue/red overhead emergency lights and a standard police vehicle front push bar.</p> <p>On 01/06/23 at 0351 hours, I Officer Gould, was dispatched to an unknown disturbance at 9506 205th Ave E, Bonney Lake WA. Dispatch advised that a female was crying, mentioned something about getting her "stuff back", and heard signs of a struggle. Seconds later, dispatch advised the unknown disturbance was actually an armed robbery (at gun point) that had just occurred and the suspects fled in a white newer 4 door Hyundai towards State Route 410 E.</p> <p>Officer Graham and I were near by along the 20900 block of State Route 410 and immediately began an area check. Seconds later, I heard Officer Graham advise over the radio he was behind a possible suspect vehicle traveling westbound along the 20200 block of State Route 410 E. I quickly caught up to</p> |

Officer Graham and followed him after the possible suspect vehicle turned right (northbound) onto 198th Ave E.

After I turned right onto 198th Ave E, I observed that the possible suspect vehicle (a new white 4 door sedan) make a u-turn and travel back towards State Route 410 E. Officer Graham completed the u-turn as well and was the 1st car behind the suspect vehicle. Both of our overhead emergency lights were activated at this point and a traffic stop on the vehicle was being attempted.

Based on the time, proximity to the crime, description of the suspect vehicle, and behaviors of the vehicle, I advised dispatch that Officer Graham and myself were pursuing the suspect vehicle.

The suspect vehicle was later identified as a 2018 Hyundai Sonata (WA/ CFD-4730) and will be referred to as the "Sonata" for the remainder of this report.

The Sonata then turned right back onto westbound 410 and began eluding Officer Graham and I at a high rate of speed. I initially began calling out the pursuit details but then fell too far behind to see the moving actions of the Sonata. Officer Graham took over calling out the pursuit.

As Officer Graham and I were pursing the Sonata westbound on SR 410 E through the City of Bonney Lake, I requested Sumner PD to prepare spike strips along SR 410 E.

I was not able to observe the exact speeds of the pursuit, but know we were traveling at 100+ miles per hour.

As Officer Graham and I pursued the Sonata down Eli Hill (17500 block of SR 410 E) Sumner PD advised they had spike strips set up near the 166th Ave E Exit of SR 410 E.

Sumner PD deployed a successful spike strip and the pursuit continued.

The Sonata exited on the Valley Ave E Exit of SR 410 E and was lost for a brief period of time.

Seconds later, a citizen flagged down BLPD Sergeant Alfano on Valley Ave E and advised him the vehicle we were most likely looking for got back on the on ramp (westbound) of SR 410 E.

A short time later, a Puyallup PD Officer advised that the vehicle had become disabled on the Traffic Ave off ramp and the suspects had "bailed" out of the vehicle and were running.

I quickly responded to this area, and set up a containment point on the south side of the SR 410 E overpass incase the suspects began running south.

A short time later, I was advised that the suspects (possibly 3 juveniles) were running northbound on Traffic Ave towards Harrison St. After a few minutes of holding containment, I was relieved by a Puyallup PD unit and relocated to Harrison St after a home owner (510 Harrison St) advised multiple people had jumped their fence and ran through their backyard.

While on Harrison St, I linked up with Puyallup PD K-9 Officer Jenderick and began searching several properties on the south side of Harrison St.

After a unsuccessful track of the suspects along Harrison St, Officer Jenderick, I, and other Puyallup PD Officers relocated to 600 block of Hunt Ave to continue the search.

At the south dead end of Hunt Ave, K-9 Ice located a small black/brown "Coach" backpack/satchel near the power boxes. Being a strange place for a expensive style back pack to be laying and being completely dry (raining all evening) it was believed it may be associated to the fleeing suspects.

I quickly examined the contents of the backpack and found a large clear plastic bag (approximately 1 pound) of suspected marijuana.

Officer Jenderick, assisting Puyallup PD units, and I continued to search the area east of Hunt Ave, and found several other clothing items that were completely dry as well.

At the Malachite Massage & Wellness PLLC building (603 Hunt Ave) a red ski mask and blue glove were found in bushes on the northwest corner of the business. I collected these clothing items and placed them in back of my patrol car.

I was then advised that K-9 Ice located a black "puffer jacket" on the Northeast corner of the building. This jacket was dry as well and had tear in it that may have been from the suspects jumping fence or running through black berry bushes.

During the search, a red, white, and blue Nike jacket was found on the southwest corner of the Alaska Cascade Financial Services building (612 Harrison St). This jacket was dry and found in the corner between the building and the cement trash can area. I collected this item and also stowed it in my patrol car.

The search around this area was eventually concluded and Officer Jendrick, the assisting Puyallup Units, and I went back to our patrol vehicle on Hunt Ave.

Officer Jendrick/K9 Ice completed an additional evidence track on Hunt Ave and discovered a screwdriver and black semi-automatic pistol next to the power boxes where the Coach back pack was found.

Prior to collecting the screwdriver and handgun, I photographed them laying on the ground.

I then collected the screwdriver and handgun and brought them back to my patrol car to further process them.

While clearing the handgun, I found that it had a full magazine of 9mm ammunition and had a round in the chamber. I cleared the round out of the chamber and ran the serial number of the pistol (#T110216C04065) with South Sound 911 Records. The pistol was a European American Arms 9mm that was registered to SCOT GADDIS BORDWINE (10/23/1961) at 11707 SE 221st St, Kent WA. The pistol was not flagged as stolen.

After the evidence track was concluded, I drove back to BLPD with all of the evidence.

Upon arriving at BLPD, I completed a thorough search of all the evidence collected and photographed them. The following items were noted:

1. Blue glove
2. Window punch
3. Screwdriver Kit
4. Marijuana
5. Marijuana Pipe
6. Mail
7. Cigars
8. Marijuana packaging bags
9. Pistol magazine
10. 9mm bullets
11. Pistol
12. Boxer Briefs
13. Red Ski Mask
14. Screwdriver
15. I-phone
16. Phone charger
17. Change/coins
18. Magazine extension
19. Perfume
20. Black puffer jacket
