INVESTIGATION:

On 12/25/2022 at about 1447 hours, I was on patrol driving a fully marked police vehicle equipped with lights and siren. I was called by Detective Virnig, off duty during this incident.

Detective Virnig advised me that he was parked at Walgreens and was next to Emily Stotts and Filiberto Santana. I knew that they had recently been involved in an Assault 2nd in East Wenatchee, in which Santana pointed a gun at a subject and threatened to shoot him. I also knew that both subjects had multiple warrants.

While en route Detective Virnig stated that they were in a green Nissan Titan and provided a plate which was a stolen vehicle. This is the same vehicle they had been driving when they threatened to shoot the innocent victim last week.

I devised a plan to have officers respond and pin the vehicle in. I knew that if we attempted a traditional traffic stop that they would flee and a pursuit would occur. Stotts was wanted for trafficking stolen property, possession of stolen property, escape, and possession of a firearm unlawfully. Santana was wanted for felony threats to kill, and assault 2nd degree with a firearm besides being in a stolen vehicle. Additionally I know from previous LE contacts that Stotts is known to fight police and flee in a vehicle. A couple of years she led police on a pursuit over 90 miles in a stolen vehicle.

As I pulled into Walgreens the vehicle was exiting onto Grant Rd. I attempted to get officers ahead of the vehicle with stop sticks but was not successful. I followed the vehicle into Wenatchee where it was held up by traffic going north on Mission from Ferry.

I moved into the left lane to attempt a PIT if the vehicle did not stop. The driver saw me moving into position and swerved at me and entered the oncoming lanes of traffic. I activated my emergency lights and siren to attempt a stop and warn other motorist of this dangerous individual. The driver continued without stopping.

I deactivated my lights and siren and resumed driving at normal speeds. I could see ahead that the stolen vehicle was slowing for traffic and possibly the red light at Kittitas. The driver then went through the red light after going around traffic and continued north. I stopped for the light and then drove north at normal speeds while assessing the pursuit factors. I could see the vehicle north bound as there was little traffic on Mission. The vehicle eventually got out of sight and the EWPD units drove back to the eastside.

I spoke with WPD Sgt Eaton regarding the subjects. I told him that they were most likely armed and dangerous so his officers should use caution if they see them. After returning to East Wenatchee I called Detective Virnig back and asked him to complete a report regarding what he saw.

Based on this information I believe that there is probable cause to arrest Emily L. Stotts for possession of stolen MV, eluding a police vehicle, and driving while license suspended 3rd degree.

Forward to Douglas County Prosecutors Office for charges.

Narrative:

On 12-25-22 at approximately 1445 hours, I was off-duty and arriving in the parking lot of Walgreens, located at 470 Grant Rd in East Wenatchee. I observed a Nissan Titan truck (WA/B29105Y) parked in parking stall on the eastside of the store and it was facing the store (west).

I observed two occupants in the truck. The front seat passenger I recognized as Filiberto Santana (DOB: 04-01-91). I knew it was him due to my numerous encounters with him. The driver appeared to be Emilee L. Stotts (DOB: 01-29-98). I suspected this based on my prior encounters with her and info CRDTF detectives had that Filiberto and Emilee were in a dating relationship.

I parked a couple of parking stalls away from them on the eastside of the store. I contacted Sergeant Marshall by phone to advise him of my observations. I contacted him because last I knew Filiberto had a warrant for his arrest.

Sergeant Marshall said he was on his way to me and inquired if the truck they were in was the stolen one. I told him I was unaware of a stolen Nissan Titan. As I was speaking with Sergeant Marshall on the phone, Emilee repositioned the truck in the parking lot. She backed the truck up into a stall on the northside of the store. During this transition, I was able to capture the rear plate on the Truck. Sergeant Marshall confirmed the truck was stolen.

At approximately 1448 hours, Sergeant Marshall and a Douglas County Deputy entered the Walgreens parking lot. I saw Emilee rush to put on her seatbelt. She then drove the truck to the north exit onto Grant Rd and proceeded westbound on Grant Rd. I observed Sergeant Marshall follow the truck.

At approximately 1457 hours, Sergeant Marshall called me back. He told me Emilee had fled in the truck and was last seen northbound on N. Mission St near 9th St in Wenatchee. He requested I complete a supplemental report on my observations.

This concludes my involvement with this case at this time.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct. (RCW 9A.72.085)
