Narrative**STOLEN/RECOVERED/DAMAGED/VALUE:**

1. Stolen/Recovered- WA/6E0624- Blk 2017 Honda Grom M/C

EVIDENCE:

1. Plastic container with blue fentanyl pills (3)

SUSPECT(S):

1. Parks, Christopher M. (10/05/1986)

CHARGE(S):

1. Attempting to elude police vehicle
2. Possession of stolen motor vehicle
3. DWLS/R 3rd degree
4. Misd warrants (multiple)

INVESTIGATOR'S NAME(S):

1. J.Marshall #5

INVESTIGATION:

On 04/19/2023 I was on patrol and flagged down in the 1800 blk of 9th ST NE. A citizen stated that there was a suspicious person in front of her driveway a block up the road.

I drove by the subject and saw a male wearing a face mask, helmet, and back pack on a small black motorcycle. He was backed up to a retaining wall near a private drive. As I drove past I got the license plate and the motorcycle pulled out going west on 9th ST NE towards Kentucky.

I turned around and caught up to the vehicle as it drove south on Kentucky approaching 8th St NE. The vehicle turned east onto 8th St NE cutting in front of another vehicle. I advised RiverCom to give me the return as soon as they had it and that I was going to attempt a stop on the vehicle. I also told them that I got the feeling he may not stop because he kept looking behind at me.

As we approached Lyle on 8th St NE we were traveling up hill and at about 30-40 MPH. At the stop sign on 8th at Lyle the rider did not stop nor did he make an attempt to stop. RiverCom also advised that the motorcycle was expired.

I activated my emergency lights and siren and caught up to the motorcycle. I drove behind the motorcycle on 8th St NE for about 3-5 blocks with lights and siren activated. At this point I was fairly certain he knew my lights were on and I was attempting to stop him. I also believe that at this point he was committing the crime of attempting to elude a police vehicle.

It should be noted at this time I was driving a fully marked police vehicle equipped with lights and sirens. The rider continued east at about 45-50 MPH. This is a 30 MPH zone.

I turned my lights and sirens off and slowed to the speed limit. The bike approached Nile and the rider continued through Nile at about 35 MPH without stopping at the clearly marked stop sign. As I pulled up to the stop sign I saw the bike turn left into a private driveway.

I drove to the driveway and saw the bike towards the rear of the house. I pulled up and re-activated my lights. The rider then drove through the yard and into the adjoining orchard. I could see him cutting through the orchard back onto Nile. As he was pulling out I could see that he was having trouble with the bike. I did not know it at the time but the bike had lost its chain and was disabled.

I had to drive around the orchard and onto 10th St NE to get back to Nile. When I came around the rider and bike were still at the orchard row exit onto Nile. I pulled up and exited my patrol vehicle. I gave him a verbal command to stop. The rider attempted to run on foot.

A short foot chase ensued. I was able to catch up to the rider from behind and tackle him to the ground. I attempted for about a minute and a half to handcuff the subject but he actively resisted my efforts by pulling away, pushing me, kicking his feet, and attempting to roll over. I gave him several verbal commands and attempted to pull his arms behind his back. At one point he grabbed my leg and I drew my taser and warned he would be tased. I then opted for a pain compliance hold, and put his left wrist in a "goose neck" to control his movements. I could hear additional police cars responding and was able to hold him down until they arrived and we got him in handcuffs.

Once in custody we rolled the subject into the recovery position and called for an ambulance. We found a wallet containing his identification. Christopher M. Parks (10/05/1986) A record check via RiverCom showed that Parks had 2 warrants for driving on a suspended license, and possession of a dangerous weapon. They also advised that his current driving status was suspended in the 3rd degree.

Ofc Mason advised Parks of his Miranda warnings. I asked Parks about the bike

and he told me that he bought the bike from a "Mexican" for \$1200 in Wenatchee behind the mall. He stated that he did not know the persons name but met them via Craigslist.

Search incident to arrest Parks had 3 blue "M" pills in his pocket. These are known to me as fentanyl and that is what Parks stated they were. Those were taken to be dropped into evidence.

Ballard arrived and checked on Parks. They thought he should be checked out at the hospital because of some wounds he has on his legs, not related to the arrest today. Parks was loaded into an ambulance and I followed it to CWH. Ofc Conley stayed with the motorcycle until the tow truck arrived.

Ofc Conley called me while I was at CWH and advised that he was able to contact the registered owner of the motorcycle and that it was in fact stolen. Wenatchee PD was going to contact the victim and take the motor vehicle theft report.

I made contact with Parks in ER room 6. I told him that the motorcycle was stolen. He did not seem to surprised but I told him that he could produce the emails and documents from the person whom he bought it from. Parks admitted to being a drug user and stated he did not know about the warrants.

Once parks was cleared by CWH I transported him to CCRJ where he was booked on his warrants, attempting to elude a police vehicle, possession of stolen M/V, and DWLS/R 3rd degree.

At the request of Parks I contacted his sister, Ashley Parks and gave her his back pack and helmet. I placed the blue fentanyl pills into EWPd property for evidence.

This document is being submitted to a judge, magistrate, court and/or prosecutor from an electronic device that is owned, issued and/or maintained by a criminal justice agency.

INVESTIGATION:

On 4-19-2023 I was working patrol for the City of East Wenatchee in police uniform while driving a marked police vehicle. At approximately 0718 hours, I heard Sergeant Marshall advise via radio he was following a motorcycle WA/6E0624 east bound on 8th Street NE from North Kentucky Ave. Sergeant Marshall advised the motorcycle was traveling at speeds of 45 mph in a 30 mph zone.

A few moments later, I heard Sergeant Marshall advised the motorcycle had failed to stop at a stop sign while continuing to speed over the limit. He advised he was catching up to the vehicle and was going to attempt to stop it. The motorcycle failed to yield to Sergeant Marshall's traffic stop with emergency lights activated. Sergeant Marshall advised he developed probable cause to arrest the rider for attempting to elude a perusing police vehicle.

I began driving towards Sergeant Marshall's location. While en-route, Sergeant Marshall advised the rider had dropped the bike in an orchard and was attempting to flee on foot. A few seconds later, Sergeant Marshall could be heard struggling with the suspect and then advised he had him pinned to the ground while waiting for additional units to arrive.

Officer Mason and I arrived at Sergeant Marshall's location at approximately 0723 hours. We assisted placing the suspect, later identified as Christopher M. Parks (DOB 10-5-1986) into handcuffs. While attempting to do so, I saw Christopher began to reach to his belt line with his right arm. At the time, he was laying face down and I could not see his belt line. Based on my training and experience, it is common to people to stow weapons in the belt line.

I placed my right knee on top of his shoulder blade to prevent his movement. After doing so, he complied with further commands and Officer Mason placed him in handcuffs without issue. Christopher was placed in a recovery position before being assist to a standing position. He was escorted to the front of Officer Mason's patrol car where he was searched incident to arrest.

I attempted to contact the registered owner for the motorcycle who was Wilfrido Avila-Silva (DOB 8-27-1989). I was initially not successful. Dicks Towing later arrived and took possession of the motorcycle for an impound.

Christopher was transported to Central Washington Hospital by Ballard Ambulance. After being medically cleared, he was booked into the Chelan County Regional Justice Center by Sergeant Marshall.

I requested Rivercom to ask the Wenatchee Police Department to contact Wilfrido as his residence to see if he knew where his bike was. Officer Lohman with WPD was successful and advised me the motorcycle had been stolen overnight. See his report for further details.

I drove to Wilfrido's residence and provided his tow impound form to pick up the motorcycle. He was provided with the case number. He had no questions at the time. This concluded my involvement.

End of report.

INVESTIGATION:

On 4/19/2023, I was on uniformed patrol for the East Wenatchee Police Department while driving a fully marked patrol vehicle. Around 0720 hours, I assisted Sgt. Marshall with a motorcycle fleeing his stop. The suspect drove through an orchard and ran on foot. As I was in route, I heard Sgt. Marshall struggling with the suspect on the radio.

I arrived on scene and observed Sgt. Marshall laying on top of the suspect. I exited my vehicle and heard Sgt. Marshall say the suspect wouldn't give him his arm.

I gained control of the suspect's legs by crossing his ankles and bringing them towards his back. Officer Conley gained control of the suspects arms. I assisted placing handcuffs on the suspect.

Aid responded and evaluated the suspect for injuries. He was transported to the hospital.

I remained on scene and assisted impounding the motorcycle.

I had no further involvement.

This document is being submitted to a judge, magistrate, court and/or prosecutor from an electronic device that is owned, issued and/or maintained by a criminal justice agency.
