Narrative

Supervisor Summary

Sgt. Forbragd observed a stolen Ford Ranger pick-up traveling eastbound on Sylvan Way. He turned around and followed the vehicle eastbound while waiting for another patrol unit before attempting a traffic stop on the vehicle. Officer George advised he would standby at Wheaton Way/Sylvan Way as that was the direction the vehicle was traveling. As the vehicle turned northbound on Wheaton Way, Sgt. Forbragd followed and Officer George fell in behind him. Sgt. Forbragd activated his emergency lights to stop the Ford Ranger. The Ford Ranger immediately pulled into the center left turn lane then drove into the southbound lanes while traveling northbound and accelerated away. Sgt. Forbragd deactivated his emergency lights about 5 seconds after he had activated them and pulled into the Grocery Outlet parking lot to break line of sight with the Ford Ranger. He advised dispatch of the direction of travel and estimated the vehicle was traveling about 80mph going northbound (30mph speed limit).

Officer George made a right turn into the McDonalds parking lot, also to break line of sight with the vehicle. Both Sgt. Forbragd and Officer George waited and then started checking the area for the Ford Ranger. Sgt. Forbragd advised he saw a cloud of dust in the area of Riddell Rd and Wheaton Way and believed the vehicle may have crashed. He responded to that location, along with Officer George. The Ford Ranger did not crash and was not on scene.

Officer Wasilchen responded to the area with his FTO Cpl. Peterson to assist in checking the area for the Ford Ranger.

The Ford Ranger was not located.

I reviewed the I leads report, Sgt. Forbragd's dash camera and Officer George's dash camera and found the officers acted with-in policy. I also reviewed Officer Wasilchen's dash camera to verify he was not involved in the traffic stop/eluding part of the detail. He was not.
