## Narrative

### Supervisor Summary

I have reviewed all in car video (ICV), and body worn cam (BWC) involved in this case report. I have also reviewed the written report under this case number as well. The report and videos are accurate and are consistent with policy. Cpl Chesney documented in his report the reason for the attempted traffic stop on a vehicle that was not bearing any license plate as per state statute. He further explained the vehicle was one that resembled being stolen from Bremerton and referenced that case number as well. A traffic stop was attempted and the pickup truck failed to yield as it passed through a parking lot in front of the Winco Foods (4969 Kitsap Way), before running a red light and turning west bound on Kitsap Way from Shorewood Dr. Cpl Chesney can be seen turning his overhead emergency lights off and pulling off of the roadway into the first available parking lot he could. The video is also consistent with the account in the report.

I found that this Attempt to Elude report is in compliance with BPD policy.
