**Narrative****Supervisor Summary**

I have reviewed all reports and viewed all video footage of this event. Ofc Hughes attempted to catch up to a vehicle that he saw driving in a reckless manner through a neighborhood at a high rate of speed and running stop signs. The video shows and the narrative reads that the vehicle could be seen driving north on Oyster Bay and running a stop sign at Arsenal and Oyster. Ofc Hughes accelerates and attempts to catch up to the vehicle before turning on his overhead emergency lights just prior to Arsenal Way and National Ave. The vehicle seen is still a distance away from Ofc Hughes and runs a stop sign, as it did previously prior to Ofc Hughes activating his overhead emergency lights. The vehicle proceeds south to Loxie Eagans while Ofc Hughes is able to close the distance and read the rear license plate. Once the plate number is read and it is apparent that the vehicle will not yield for the overhead emergency lights, Ofc Hughes turns his emergency equipment off and pulls to the side of the roadway on Loxie Eagans. Ofc Hughes u-turns in the opposite direction of the fleeing vehicle prior to the camera turns off. This fail to yield appears to be in line with police and current training.
