Greetings Ms. Kelly.

My name is Kathy. I am the Morton Police Department Clerk and will be addressing your request.

In order to better address a request of such a vast spread of dates and details, with the potential of there being a total of zero, to countless, cases to be considered, I am sending this to let you know I will get back to your on or before August 1, 2024, with further information. In the meantime, to better align with the request, I have attached a PDR request form for you to fill out, sign, and get back to me.

Thank you.

Kathy

**Subject:** Fwd: Public records request

Hello Chief Cournyer,

I am writing to request public law enforcement records for Mossyrock, which I understand falls under your jurisdiction (see below). My request is as follows"

Under the Washington Public Records Act, §42.56 et seq., I am writing to request the following records from the Morton Police Department:

- 1) A list of all vehicle pursuit incidents in Mossyrock that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;
  - 2) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023;
  - 3) Summaries of vehicle pursuit data for incidents occurring in Mossyrock, such as what may be contained in internal and/or external publications (annual reports, newsletters, presentations to government officials, etc.) produced between 2019 through 2023.
- This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

Thank you!

Best,

Heather Kelly]
