Narrative

Supervisor Summary

Corporal was monitoring traffic on Sheridan while "blackout." Suspect vehicle went eastbound from Wheaton at a high rate of speed and turned onto northbound Spruce. Corporal drove over to investigate and saw car had gone back out to Wheaton. Suspect vehicle went northbound into center two way turn lane to pass northbound traffic while being driven at a high rate of speed. Corporal tried to catch up to the car to stop it as it cut back to the right across two lanes to take a right onto eastbound Sylvan. Corporal activated emergency equipment but suspect vehicle didn't yield so the corporal deactivated emergency equipment.

Vehicle was last seen by Corporal turning onto northbound Spruce. Witness up the street said the suspect vehicle ran the stop sign on Spruce at Almira, made a left turn northbound and then a fast left onto Ivy almost crashing in the process.

It was assumed the vehicle made it's way back to northbound Wheaton Way as a detective was on his way home reported likely the same vehicle driven at a high rate heading northbound on State Highway 303 ultimately exiting at Central Valley Road.

Suspect eluded but there was no pursuit.
