## CAD Narrative

01/26/2023 : 16:00:01 galactic\Kelly.Jenson Narrative: Report to be completed. BWC not activated.

01/26/2023 : 15:50:30 galactic\Kelly.Jenson Narrative: I clocked a white w/black racing stripes newer Chevy Camaro at 53 in a 35. I u-turned to catch up to and stop the vehicle. The moment I turned on it, it accelerated to a much higher rate of speed. I activated my emergency lights to signal a stop on the vehicle to see if it would stop. I was never able to even get close to the vehicle before it turned westbound on E Country Vista Dr and eluded at a high rate of speed. I turned into the apartment complex parking lot at kramer/country vista and deactivated my lights and notified dispatch of the incident. 971gsy.or (possible vehicle)
