Synopsis:	
-----------	--

Narrative:	<p>On 10/8/20 at approximately 1722 hours, I was dispatched to 21501 91st St. E. to assist Bonney Lake Police. Dispatch advised that they were requesting a Police K-9 respond to assist in locating a suspect that had fled on foot after a vehicle pursuit. I responded with my partner, K-9 Rock, a trained and Washington State Certified Police Patrol Dog. K-9 Rock is trained in tracking and apprehending criminal suspects.</p> <p>I arrived on scene at approximately 1741 hours and contacted Bonney Lake Officers near a gold passenger car that was sitting off the roadway next to a gate to a residential driveway. Officers advised that the suspect driver fled from them in the vehicle when they attempted to stop him and then fled on foot from the vehicle at this location. The suspect was described as a white male wearing a gray jacket with a black shirt underneath and dark jeans. Officers advised that the resident at this location provided video of the male from their security camera fleeing from the vehicle and northwest into the wooded area behind their residence. Officers showed me a picture of the suspect from that video. Officers advised that they had probable cause to arrest the suspect for Felony Eluding and I removed K-9 Rock from my vehicle to assist in locating him.</p> <p>I deployed K-9 Rock for the following reasons:</p> <p>" Crime- The suspect had led Officers on a high speed vehicle pursuit through busy city streets. The suspect then fled on foot from the vehicle.</p> <p>" Danger- The suspect had not been searched for weapons and it was unknown if he was currently armed or not. The suspect had led Officers on a high speed vehicle pursuit and it was unknown what other potential crime(s) he may have been fleeing from. The suspect's reckless actions showed that he was willing to put other citizens in danger in an attempt to escape. The suspect was last seen fleeing into a dense wooded area that provided numerous locations for him to hide and lay in wait for searching Officers. There were also other occupied residences in the area. The wooded area was overgrown with thick vegetation, making traversing the area very slow and limited visibility for Officers.</p> <p>" Resistance- The suspect fled from Officers in a vehicle at high speeds. The suspect then fled on foot from the vehicle.</p>

Incident No. 2028201498.4 **COPY** Page 3 of 3

I took K-9 Rock to the driver's door of the suspect vehicle and gave him the command to track. K-9 Rock searched around outside the driver's door and then turned and began tracking northwest down the driveway of the residence. Based on his indication, I believed that he was tracking the suspect driver. K-9 Rock continued tracking northwest into the wooded area, where Officers said the suspect was seen fleeing. I stopped K-9 Rock at this location and gave a loud verbal K-9 warning. After getting no response I again gave K-9 Rock the command to track and he continued tracking down a steep embankment and then deeper into the wooded area. The area was thick with overgrown brush and trees and the ground was muddy, making it difficult to make our way through. K-9 Rock located a gray jacket discarded in the woods matching the one the suspect was described as wearing. K-9 Rock continued tracking northwest through the woods from the jacket and located the suspect hiding about 100' away.

The suspect was lying down on the ground, concealed from view through the thick vegetation, and made no attempt to peacefully surrender prior to being located by K-9 Rock. When located, K-9 Rock contacted the suspect on the right leg. I ordered the suspect to show me his hands, to make sure he was not holding a weapon. The suspect complied and I recalled K-9 Rock. K-9 Rock immediately released his bite and returned to me. The suspect was taken into custody at this location by Officers assisting with the K-9 Track.

Once the suspect had been safely taken into custody, medial aid was called to the scene to treat his injuries. We made our way out of the wooded area with the suspect and he was treated at the scene by the Fire Department. I took photographs of his injuries at the scene.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
