## Narrative

### Supervisor Summary

On 11/07/22 at about 2352 hours Cpl. Chesney observed a vehicle on Kitsap way being driven at a high rate of speed and recklessly. He attempted to catch up to it as the driver continued to drive with willful and wanton disregard. Cpl. Chesney had not tried to stop the vehicle at this point and was only trying to catch up without his lights on. When he did catch up to the vehicle at the west end of Werner Road he activated his lights and attempted a stop on the vehicle.

The driver did a U turn in front of him and refused to stop for his lights. Cpl. Chesney did not pursue after the vehicle and turned off his equipment and waited in the area where the vehicle fled. Once the vehicle was out of his sight, he began checking the area for it. About 3 minutes after the attempted to stop it he located the vehicle on Union Avenue after the vehicle had lost control and rolled. The vehicle had crashed into a power box and pole as well. The occupants then fled the vehicle on foot. There were three occupants including the driver who fled. None of them were located. The driver was identified as, Peyton Diaz after some follow up work from Cpl. Chesney and charges were sent to the prosecutor. It is believed all occupants were injured due to the damage of the vehicle but we were not able to confirm since we did not locate them.

I watched Cpl. Chesney's dash camera and it shows him attempting to catch up to the vehicle and when he does he tries to stop it as the vehicle does a U turn. He deactivates his lights and waits for the vehicle to get out of his sight before checking the area. He locates the vehicle after it crashes and about 3 minutes after he tried to stop it.

I believe Cpl. Chesney's actions were correct and within policy. He made the correct decision not to pursue the vehicle as it did not meet our policy to engage in a pursuit.
