Hello,

Under the Washington Public Records Act, §42.56 et seq., I am writing to request the following records from the Mossy Rock Police Department:

- 1) A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;
- 2) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023;
- 3) Summaries of vehicle pursuit data for your agency, such as what may be contained in internal and/or external publications (annual reports, newsletters, presentations to government officials, etc.) produced between 2019 through 2023.

This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

Thank you!

Best,
Heather Kelly

Good morning Heather,

I just received your public records request this morning as I was out of the office last week.

Mossyrock does not have a police department, therefore we have no records to submit.

Respectfully,

Linda Hannon

Mossyrock City Clerk

City of Mossyrock

231 E State St / PO Box 96

Mossyrock, Wa 98564

Hi Linda,

Thank you for letting me know. Is there another agency tasked with enforcing the law in Mossyrock?

Best,
Heather
