## Narrative

Observed a quad four runner w/bound on 3rd N.E. approaching Valley Mall Parkway. Driver had no eye protection. I turned around and attempted a traffic stop on Valley Mall Parkway and 3rd N.E. Quad failed to yield to my emergency lights and accerated n/bound on Valley Mall Parkway. Driver of quad looked back at me several times and continued to fail to yield to emergency lights and sirens. I called out the pursuit with RiverCom and continued in a safe manner until the male subject on the quad was no longer in sight near Pangborn Airport. Description of male on quad was given to RiverCom along with what he was wearing. DCSO joined into the pursuit but were unable to locate the subject or quad at or around the airport. The pursuit was terminated after all sight was lost near the airport. JH

## Supplement

On 08/11/19 at approximately 1400 hours, I overheard on the radio, Ofc. Hinkle attempt to stop a vehicle. Soon after Ofc. Hinkle advised he was in pursuit of the vehicle and was providing directions and locations via the radio.

I attempted to get into a position to be of use for the pursuit but was too far away to be effective in the pursuit, but was attempting to get ahead of it in order to deploy spike strips. Eventually it was relayed that it was a quad that was being pursued. This information caused me to stop attempting to get in front to deploy spike strips.

I attempted to continue to shadow the pursuit and monitor the radio as it was entering the county. Ofc. Hinkle and Ofc. Leyde quickly lost sight of the vehicle as it entered an orchard by the airport. All EWPD units terminated the pursuit at that point.

DCSO deputies were in the area but could also not locate the quad after it exited the orchard and drove past the airport.

Total time of the pursuit was approximately 9 minutes. It originated near 5th and VMP and concluded near the airport. Traffic was very light. Roadway was dry. Weather was sunny/partly cloudy.

---

### **Supplement**

On August 11th 2019 at approximately 1404 according to RiverCom radio log East Wenatchee Police Officer Hinkle #19 advised he was stopping a quad on N. Baker around 5th St NE. It then sounded like he was trying to stop it but the quad was not stopping and was northbound on Baker near 9th ST NE. I was at 9th and Eastmont so I activated my lights and siren and attempted to get into a position to assist. I turned west on 11th ST NE from Eastmont and headed towards N. Baker. Just after getting onto 11th Officer Hinkle advised the quad was now turning back and headed up Colorado. I proceeded to 9th and N. Baker and headed east on 8th ST NE with lights and siren activated. I heard Officer Hinkle say he was on 3rd headed towards the high school. I continued east from Eastmont as it turns into 8th ST NE. I thought I heard Officer Hinkle say the quad was on N. James and as I got to the jr. high I observed the quad on N. James fail to stop for the stop sign at 8th and N. James crossing 8th at a high rate still on N. James.

I turned northbound on N. Iowa and headed to 10th ST NE in an attempt to assist in the pursuit. I observed the quad still at a high rate now eastbound on 10th ST NE. I proceeded the same direction but turned off my lights in hopes that he did not see me. I was at least a quarter mile behind and at the time the driver did not even know another unit was involved. I advised Officer Hinkle the direction he was headed and Officer Hinkle said he was on 8th and asked if the quad was headed towards him. I told him it was. I came around the sharp corner at 10th and N. Kentucky at the speed limit meeting a car that had slowed. I thought maybe the quad had crashed. I looked up 10th from N. Kentucky but then heard Officer Hinkle say he was again in pursuit eastbound on 8th from N. Kentucky. I turned on my lights and siren and turned eastbound on 8th from N. Kentucky. I observed Officer Hinkle at 8th and Nile and then I lost sight of him. I then heard Officer Hinkle say he was on 8th from Mount Joy. I again observed Officer Hinkle make a right turn from 8th right behind the quad and head towards Grant Rd. I observed Officer Hinkle make a left onto Grant Rd. Officer Hinkle then said he turned left on Perry and then turned into an orchard 400 block of Perry. I turned onto Perry and proceeded the last direction observed. Got on 5th ST NE from Perry and observed a male subject pointing to the east and then Officer Hinkle drove into sight and motioned towards the east. I proceeded east and make a right turn onto an unknown road and looked east. I could see the quad as it was eastbound on Grant Rd almost to

the airport. I activated my lights and siren as I approached Grant Rd and then proceeded eastbound but after a few seconds decided to terminate the pursuit and additionally had lost sight of the quad. I advised RiverCom I was no longer chasing the quad.

End of my involvement.
