INVESTIGATION:

On 06/03/22 at about 0905 hours, I was on patrol, driving a fully marked police vehicle, equipped with emergency lights and siren. I was wearing a police uniform with a badge, patches, that include City of East Wenatchee and Police in bright yellow markings.

I observed a vehicle turn onto S Georgia from Grant Rd. The vehicle had a broken tail lamp and upon checking the plate on my MDC it showed expired vehicle registration as of 2018, or nearly 4 years earlier.

I caught up to the vehicle as it turned onto 1st St SE from S Georgia. The vehicle pulled over prior to me activating my lights. I pulled in behind the vehicle and activated my lights.

I made contact with the driver who was the sole occupant in the vehicle. I told him that his tabs were expired and asked him for his license to which he stated he did not have one with him. He verbally identified himself as Braxton Whited with a DOB of 06/14/1996. He also stated that the vehicle was not his but that he was moving it for a friend.

I returned to my vehicle and ran a records check via my MDC with the information provided. The name returned clear and valid. I checked some pictures in SPILLMAN and they did not appear to be the same person. I then checked the eye color which showed Braxton had brown eyes.

I made contact with the driver again and had him remove his glasses. I saw that his eyes were green not brown. I confronted him about lying to me about his name. He admitted that he lied and provided me with the name Loren Zacher, DOB-06/24/1995. He told me his license was suspended and that was why he was not being honest about his name.

I returned to my vehicle and began to run his name when suddenly the vehicle accelerated rapidly throwing gravel. The vehicle continued east on 1st St SE. I put my car in drive and began to drive in the direction of Grant Rd. I knew we had a high school graduation parade on Grant Rd and that 1st St SE circled around back towards Grant.

I saw the vehicle continue up 1st St SE but lost sight of it nearly immediately as I estimated his speed to be about 50 MPH in this 25 MPH zone. As I came up to S Gilmore and 1st St SE near Grant Rd I saw the subject running on foot. He had bailed out of the vehicle near Grant and Gilmore leaving the vehicle near the side of the road.

I began to follow the subject and activated my emergency lights and siren. He continued to run on the sidewalk on Grant Rd west. I followed him in my patrol vehicle until he ran through a yard at 844 Grant Rd cutting through back to S Georgia. I exited my vehicle and began to pursue on foot.

The subject, while running fell in about the 100 blk of S Georgia Ave allowing me to catch up to him. I drew my taser and ordered him to stay on the ground which he did. I held him at taser point until back up units arrived to take the subject into custody.

Ofc Hernandez, who is on Field Training with Ofc Sheats placed him in handcuffs. They volunteered to take him to the jail for me. A records check via RiverCom/Washington State DOL later confirmed that the subject was Loren A. Zacher, DOB-06/24/1995 and that his driving status was driving while license revoked in the 1st degree, he was required to have an ignition interlock device which Ofc Sheats informed me did not, and that he currently had two misdemeanor warrants for his arrest.

Based on the above investigation I believe that there is probable cause to charge Loren A. Zacher with identify theft 2nd degree, in that he used the name, DOB, of Braxton S. Whited in order to drive while revoked. I believe that there

is also probable cause that Zacher committed the crime of attempting to elude a police vehicle in that after being given a visual signal to stop, he fled in a reckless manner, a high rate of speed through a residential area from a marked police vehicle. There is also probable cause to believe that Zacher committed the crime of driving while license revoked 1st degree and no ignition interlock device as he drove the vehicle with a DOL status of DWLS/R 1st with a restriction of ignition interlock device required yet the vehicle was not so equipped.

Nothing further.

INVESTIGATION:

On 6/3/2022, I was working patrol for the East Wenatchee Police Department. I was in full uniform which includes East Wenatchee Police patches on the left and right shoulder, a large "POLICE" patch attached to the rear of my outside vest with a police badge on the front along with a name tag with my last name. I am assigned a fully marked patrol vehicle which is outfitted with operational emergency lights and a siren. The patrol vehicle is clearly marked with "POLICE" and "East Wenatchee" on both the driver's side and passenger side. I am clearly identifiable as a Police Officer and my assigned car is clearly identifiable as a Law Enforcement patrol vehicle. I have an Axon 3 body worn camera and video footage is uploaded to evidence.com if applicable.

On 6/3/22 at approximately 0900 hours, Sergeant Marshall (1DO5) advised that a vehicle had took off during an initiated traffic stop, with the driver eventually exiting the vehicle, and ran away on foot.

At 0911 hours, Sergeant Marshall stated that he had the suspect near Georgia Ave and Grant Rd.

I arrived to the location with my Filed Training Officer (FTO), Officer Sheats at approximately 0912 hours. I placed the suspect (later identified as Loren A. Zacher) in handcuffs. I walked Zacher to my patrol vehicle, searched him incident to arrest, placed him in the back of my patrol vehicle, and read him his constitutional rights. I was later notified that Zacher had warrants for his arrest.

I observed Zacher had a slight cut on his forehead, possibly from hitting the ground when attempting to evade. I requested that medics check Zacher before transporting him to CCRJ. Medics arrived on scene and stated Zacher's injuries were minor in nature.

When asked, Zacher was unable to provide the owner's name for the vehicle that he had abandoned. The vehicle (WA Lic#876XYM), was towed by NCW Tow.

Zacher was transported and booked into CCRJ on his warrants.
