Shire Idris:

I am in receipt of your public records request dated March 27, 2024, which I initially responded to on March 27, 2024. My responses to your request follow./

1. A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law.

RESPONSE: We requested this information from our dispatch agency, South Sound 911 (SS911) and they provided the attached report labeled 4 16 2024 Vehicle Pursuits.

2. Policy manuals, rules, and regulations for your agency relating to vehicle pursuits including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023.

RESPONSE: The Police Chief provided the following documents in response to this portion of your request:

4 16 2024	Policy Update
4 16 2024	Vehicle Pursuits
4 16 2024	Vehicle Pursuit Criteria

3. Reports summarizing and analyzing the vehicle pursuit data for your agency, produced for internal and/or external publication ( e.g. periodic reports required for WASPC and/or CALEA accreditation, newsletters, materials provided to government officials) produced between 2019 through 2023.

RESPONSE: We have no records responsive to this portion of your request.

I believe the Town has responded to your request with those records in our possession and will consider this request satisfactorily closed by both parties unless I hear further from you.
