Narrative

Miscellaneous Incident Investigation Narrative

1. Incident Description:

Traffic stop/attempt to elude.

2. Premises location and description:

Started about Sr 6 and Hunt Clubb Rd Raymond WA 98577.

3. Other information:

On 4/20/2019 about 1304 I was on patrol in Pacific County, driving a fully marked patrol vehicle wearing the uniform of the day. I was currently traveling east bound SR 6 about Hunt Clubb Rd Raymond WA 98577. At this time I noticed a green ATV (4-wheeler) traveling west bound on the Rails to Trails. There are no motorized vehicles allowed on the Rails to Trails.

As the 4-wheeler passed my location I looked directly at the driver who was not wearing a helmet. I could immediately identify the driver as Michael I. Eike DOB 7/12/1978. I know Eike from multiple previous law enforcement related contacts and know he currently has two felony warrants for his arrest. In-addition Eike currently has a suspended drivers license which was confirmed by the Department of Licensing.

I stopped and turned around to stop Eike at Heckard Rd and SR 6, which is where I can access the trail with my patrol vehicle. As I turned around I saw Eike look at me. He then lowered his body and increased his speed at a high rate. I then activated my emergency overhead lights.

Eike got to Heckard Rd before me and he went straight through the stop sign at the Heckard Rd and SR 6 intersection. Eike went across the highway with another vehicle on the highway near him. Eike turned onto Mallis Landing Rd going over both lanes of travel. At this point of Mallis Landing Rd, it is all gravel.

I followed in behind Eike who again turned around and looked at me. I activated my siren at this point. As I got closer to Eike traveling approximately 55 MPH in the 35 MPH zone. We started going up a steep hill which slowed him down. Eike then lowered his body again and increased his speed. As he increased his speed he drove all over the road causing rocks to flew up and hit my vehicle or go past my vehicle. My vehicle was not damaged.

Eike then started to slow down at a sharp corner. Eike then hit the gas again causing a loud back fire and sparks flew out the back of his exhaust pipe. Eike then turned down a trail. I know this trail and know it connects to Nelson Rd. I called ahead and asked Officer Fuller of the Raymond Police Department to go there as I could not fit down the trail.

Upon arrival at Nelson Rd we located tracks from the 4-wheeler on the property of 1905 Nelson Rd. This property is owned by Larry A. Sienko DOB 4/23/1939 who is currently in the hospital for a serious medical issue. We were unable to locate Eike. Officer Fuller advised he contacted Danyelle M. Stigar DOB 9/21/1979 who lives with Sienko on the property, Stigar also used to be in a dating relationship with Eike.

Stigar had advised Eike was not allowed on Sienko's property anymore and hasn't been for some time. Stigar stated the last time she saw Eike was a few days

prior but their relationship is hostile right now and if he showed up something physical would have happened.

I later contacted Stigar and told her the 4-wheeler tracks go near her trailer where she stated she was during this incident. Stigar stated she had the generator going in the trailer so they can't hear anything when it is going.

I contacted one of Eike's relatives who stated they saw Eike on the same 4-wheeler earlier and that 4-wheeler belongs to Sienko. I went back to Nelson Rd and tried to track down a better location for the 4-wheeler. I located tracks that showed he went towards the highway then back up the hill. From that location Eike could see all the roads and knew where we were going.

Case sent to prosecutor for further review.
