RE: PUBLIC RECORDS REQUEST of November 16, 2023, Reference # R006651-111623.

Dear Heather Kelly,

The Sheriff's Office received a public records request from you on November 16, 2023. You requested:

"Under the Washington Public Records Act, §42.56 et seq., I am requesting the following records:

- Monthly counts of vehicle pursuits involving the Kittitas County Sheriff's Office from 1/1/19 through 11/30/23.

Where possible, I would like the records provided electronically. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law."

I have reviewed the Sheriff's Office records and have located records that I believe are responsive to your request. Please log in to the Public Records Portal at the following link to retrieve the records.

We do not have a monthly count of pursuits, but I am providing you a few lists of incidents that are classified as pursuits and the reports for each if they had a report. I also searched through our system to find any incident that were not included on the provided lists that were also considered pursuits.

There are three reports involving juvenile offenders which I am withholding pursuant to RCW 13.50.050(3) All records other than the official juvenile court file are confidential and may be released only as provided in this chapter, RCW 13.40.215 and 4.24.550. The incident numbers for these reports are S22-05353 from May 2022, S22-05127 from April 2022 and S23-11732 from September 2023.

Upon sending this email, the Sheriff's Office considers your public records request closed.

If you have any questions or need additional information, please feel free to reply to this email or call our office at 509-962-7525.

Sincerely,

Lura Treiber
Law Enforcement Clerk
