Good morning, Ms. Kelly.

Attached are the policy manuals we currently have. We do not maintain a copy of previous policy manuals.

Hi Karen,

Please find attached a new public records request. If these manuals, or at least the current one, are available online I'd be happy to review them there if you can provide a link. Many sheriff's offices do publish them online so it's possible I just missed it in my web search.

If you have any questions, please let me know. Thanks for your assistance!
