3. RCW 46.52.020 - Hit and Run Attended

INVESTIGATOR'S NAME(S):

1. J. Virnig #1DO8

Narrative:

On 10-31-21 at about 1223 hours, I was on patrol in uniform and driving a marked patrol car for the City of East Wenatchee.

I was dispatched to a suspicious call at the Sunset Ridge Apartments, located at 1800 N. Aurora Ave. The reporting party, identified as Brittney M. Metcalfe (DOB: 06-26-89), advised a white 2 door passenger car had been driving around the complex for about 2 hours. She advised it had a sunshade in the window and the female in the passenger seat looked like she was dozing off from an opiate overdose. She advised the female had since switched to the driver's seat and was parked in front of apartment 1818 between a blue van and a white Jeep.

At about 1237 hours, I arrived at the location and observed a white 90's Honda Civic with no front plate backed in between the two vehicles described. There was a sunshade in the front window, and I could see two people in the vehicle. I parked to the south of the vehicle and exited my patrol car. I did not block the vehicle in. As I approached the vehicle the female in the driver's seat started the vehicle and tore down the sunshade. The female passenger and the male passenger appeared startled and frantic by my presence. I said hello, and she quickly drove off out of the parking stall northbound through parking lot.

The female driver was white, had brown hair, and appeared in her 20's. I only caught a glimpse of the male passenger out of my peripheral. He appeared to be white and in his 20's. I was able to observe the license plate affixed to the rear of the vehicle. It was Washington Plate BDU8045. I provided the plate to dispatch and asked if it was stolen. Based on the report received and my initial observations, I suspected I interrupted the occupants' using drugs and I suspected the vehicle may be stolen as we have had a string of Honda Civic thefts recently in our valley.

There was only one way in/out of the apartment complex located to the south. I knew the parking lot wrapped around. I drove to the entrance/exit and waited for the vehicle to come around the parking lot. I activated my emergency lights to stop the vehicle. The vehicle came around the parking lot and drove towards my patrol car at approximately 15mph. The vehicle drove behind my patrol car, striking the rear end of it. The vehicle then fled westbound on 18th St NE towards Sunset Hwy.

I advised dispatch of what occurred and deactivated my emergency lights. I

trailed the vehicle without lights and sirens. I was approximately a football fields length away from the vehicle. I traveled west on 18th St NE at speeds no greater than 32mph. She was traveling over 40mph. She almost caused several collisions when turning northbound onto Sunset Hwy. She forced a least two vehicles traveling in the northbound direction to slam on their brakes and swerve to avoid a collision. She also caused at least one vehicle traveling in the southbound direction to slam on their brakes.

I continued to keep an eye on her from over a football fields length away. Her speeds were over 40 mph while traveling on Sunset Hwy. My speeds were no greater than 38mph. She turned east on 19th St NE and increase her speed to over 50 mph. I turned east on 19th St NE and increased my speed to 45mph as she was creating a significant distance from me. She failed to stop for the 4-way stop at 19th St NE and N. Baker Ave. I estimated her speed when running the stop sign at over 50mph. I was well over a two football fields length away from her at this point. She then accelerated to speeds well over 60mph eastbound on 19th St NE.

I attempted to keep eyes on the vehicle to see if another responding unit could throw stop sticks down ahead of it, but as I entered the intersection of 19th St NE and N. Baker Ave, the vehicle had crested the hill and entered the s curve on 19th St NE. I had lost sight of it at this time. I accelerated to approximately 60mph in attempt to get eyes on the vehicle again, but was unsuccessful.

I advised other units of the vehicle's last known direction (towards Eastmont Ave.) Several units from EWPD and DCSO checked the area. I arrived at 19th St NE and Eastmont Ave, then back tracked to the s curve on 19th St NE in case the vehicle left the roadway due to the erratic driving. I did not locate the vehicle off the road and two people in their front yard advised the vehicle made it through the s curve and continued toward Eastmont Ave.

I called Sergeant Leyde to my location to inspect the damage to my patrol car. It appeared the passenger side mirror from the vehicle scraped the right rear quarter panel of my patrol car. The damage was minor and most likely will buff out. Sergeant Leyde took photographs of the damage.

At about 1258 hours, I reviewed the return on the license plate I provided to dispatch. It returned to a green 1994 Honda Civic registered to Rachel K. Oseguera (DOB: 01-02-71). I suspected it was a stolen plate on the vehicle as the vehicle was white. I contacted Rachel by phone (509-470-5250). I asked if she owned a green Honda Civic. She stated she did, however it was at her ex's house located at [REDACTED] 1G-Personal Info [REDACTED]. She identified her ex as Lonnie R. Thorpe-Pehl (DOB: 02-01-71). She told me her vehicle was broke down. I asked her to call her ex to verify her vehicle was still there. She stated she would. She called me back and said her vehicle was still there. She provided Lonnie's phone number to me [REDACTED] 1G-Personal Info [REDACTED].

At about 1314 hours, I called Lonnie. He told me Rachel's vehicle was still on his property and it was completely smashed up. He told me it did not run. He told me he had been parting the vehicle out to Dylan J. Browning (DOB: 01-13-98) because Dylan told him he had a similar car. I further suspected at this time the vehicle that fled from me was stolen, as I know Dylan's history/involvement with stolen vehicles. I asked Lonnie how he knew Dylan. He told me he was friends with Dylan's uncle, Gary Browning (DOB: 04-20-73). I thanked Lonnie for the information.

I researched Dylan's recent involvements in our local database and saw he was involved in a theft in May of this year at Coastal Farm & Ranch in East Wenatchee. In that incident he was contacted with several subjects, to include Bailey J. Gilstrap (DOB: 06-21-00). I have had several contacts with Bailey but was unsure if Bailey was the driver I saw in the vehicle. Because of this information though, I decided to drive by Bailey's residence at 1G-Personal Info

At about 1324 hours, I drove by Bailey's residence. I did not see the vehicle in the driveway or on the street near the residence. I saw the church about 200 yards east of the residence was in service and there were several vehicles in the parking lot. I decided to check the church parking lot for the vehicle. As I drove to the south side of the parking lot, I observed the vehicle parked in a stall. It appeared unoccupied and I advised dispatch I was out with it.

I confirmed the vehicle was unoccupied and I ran the VIN (1HGEG8650PL042584) through dispatch. Dispatch confirmed the vehicle was stolen out of Pierce County. Due to the proximity to Bailey's residence, I requested DCSO units set up containment on Bailey's residence. Sergeant Leyde and Officer Jensen arrived at my location to assist.

DCSO Corporal Williams later arrived at my location and advised me he spoke with Bailey's parents, identified as Randy R. Gilstrap (DOB: 11-28-61) and Deborah K. Gilstrap (DOB: 07-09-69). He told me her parents denied she was there. He provided them with my work phone number to have Bailey call me when she returned home.

I spoke on the phone with the registered owner of the vehicle, identified as Leah Choi (DOB: 12-02-87), and she gave me consent to search her vehicle. Officer Jensen assisted with the retrieval of several fingerprints from the door handles/door sidings on the vehicle. He later logged the fingerprints into evidence at the police department. A thorough search of the vehicle was conducted, but nothing that would show control over the vehicle was located. A type of syringe that I recognized to be commonly used by heroin/meth users was located in the driver's door pocket. Leah was unable to recover her vehicle in a timely manner and no keys were left with the vehicle, so it was impounded by

Mountain Highway Towing.

Officer Jensen canvassed the area for surveillance cameras but nothing that would be beneficial to this investigation has been discovered yet.

Officer Cooper told me he discovered Bailey and Dylan were dating from a case he investigated this year. It should also be noted Dylan is friends with Tyler R. Bashaw (DOB: 03-25-99) and has told me Tyler likes to steal cars. Tyler is from Pierce County and has been contacted by officers in our valley this year.

At this time, this investigation is active.

This document is being submitted to a judge, magistrate, court and/or prosecutor from an electronic device that is owned, issued and/or maintained by a criminal justice agency.

I certify (declare) under penalty of perjury under the laws of the state of Washington that the forgoing is true and correct.

EVIDENCE:

1. Body Cam Video

SUSPECT(S):

1. Bailey J. Gilstrap (DOB: 06-21-00)
2. Dylan J. Browning (DOB: 01-13-98)

CHARGE(S):

1. RCW 9A.56.070 - Possession of a Stolen Motor Vehicle
2. RCW 46.61.024 - Eluding a Pursuing Police Vehicle
3. RCW 46.52.020 - Hit and Run Attended

INVESTIGATOR'S NAME(S):

1. Officer L. Jensen 1DO22

Narrative:

On 10-31-2021, I, Officer Jensen, was working uniformed patrol in a fully marked police vehicle for the East Wenatchee Police Department.

At approximately 1238 hours, I was listening to the radio when I was advised that Officer Virnig's vehicle struck. I was at the location of Kentucky and 10th St. NE. I was making my way towards the scene but was unable to locate the said vehicle. I conducted an area check but did not find the vehicle. Officer Virnig located the vehicle at the church on 10th St. NE.

I arrived at the Church off of 10th St. NE. I assisted Officer Virnig with lifting fingerprints from the vehicle on the exterior of the stolen vehicle. I took three separate prints, one print was from the drivers door handle as well as another from the drivers window trim piece. The third fingerprint was taken from the rear passenger door handle.

After lifting these fingerprints I submitted the fingerprints into East Wenatchee Police Department evidence locker 10.

This concluded my involvement at this time.

Officer L. Jensen 1DO22

This document is being submitted to a judge, magistrate, court and/or prosecutor from an electronic device that is owned, issued and/or maintained by a criminal justice agency.

INVESTIGATOR'S NAME(S):

1. J. Virnig #1DO8

INVESTIGATION:

On 11-08-21 at about 1018 hours, I was on patrol in uniform and driving a marked patrol car for the City of East Wenatchee.

I contacted Natoshia M. Duran (DOB: 09-18-84) on a traffic stop due to expired tabs and not having a license to drive. She was advised our conversation was being audio and video recorded.

During the stop her passenger was placed under arrest for an outstanding warrant. I then obtained information from her about Dylan Browning and Bailey Gilstrap. I asked her if she knew Dylan. She told me she did. I asked her if Dylan was in town. She told me he was. I asked her if he was dating Bailey. She stated he was. I asked her if she heard anything about Bailey taking off from the police the other day. She told me she did not.

I asked Natoshia where Dylan and Bailey were staying. She described to me they were staying at the St. Judes Apartments in Wenatchee. She told me they were staying with a guy named "Tyson" who was a drug dealer. I asked her when she last saw them. She told me on Thursday (11-04-21) at the apartments. I asked her if she knew what car Dylan had. She said she saw him in a white Honda. I asked her if she saw him drive a white Honda Civic. She said she did. I asked her when she saw him in the car. She told me she saw him in it on Monday (11-01-21) or Tuesday (11-02-21). She told me Bailey was also in the car. I asked her if she could describe anything specific about the car. She told me she remembered there being a sticker of a middle finger in the back window.

I thanked Natoshia for the information and gave her a warning for her traffic violations. I then cleared my contact with her.

On 11-09-21, I reviewed photographs from the day I recovered the stolen Honda Civic. I did not observe the sticker in the back window. I tried calling the registered owner, Leah Choi, to ask her if the sticker was in her back window in case I missed it. I got no answer.

On 11-12-21, I requested the fingerprints recovered from the vehicle to be sent to the crime lab for analysis.

Investigation active.

This document is being submitted to a judge, magistrate, court and/or prosecutor from an electronic device that is owned, issued and/or maintained by a criminal justice agency.

I certify (declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
