INVESTIGATION:

On 02/19/23 at about 1145 hours, I was on patrol and driving through the parking lot of Cedars Inn. I saw a spray painted black and blue Dodge Durango. I recognized the vehicle as one that had fled from Ofc Mason the week earlier.

I parked in the parking lot just to the south of the location and watched the vehicle. I observed a female enter the drivers seat and a male enter the passenger seat. I was using binoculars to get a view of the vehicle.

The vehicle turned onto Valley Mall Parkway driving south past my location. I made eye contact the the female and the male was wearing a hoodie and turned away from me. I pulled in behind the vehicle and ran the license plate, WA/BTL8839 which showed expired in 2022 on a 2005 Dodge Durango to Jennifer Cooper.

I pulled in behind the vehicle and attempted a traffic stop in the mall parking lot in front of Macys. The vehicle continued driving through the parking lot and then accelerated rapidly a high rate of speed through the lot passing vehicles. I noted that there were pedestrians and vehicle traffic in abundance at this time. I had my police lights and siren activated and was driving a fully marked police vehicle.

I then turned my lights and siren off and drove normal speed as to not violate Washington State law. I watched as the vehicle ran the stop sign on 3rd St NE and nearly struck multiple vehicles. I could see that the driver continued driving at what I estimate to be double the speed limit east on 3rd St NE towards Eastmont Ave and appeared to be utilizing the center turn lane to go around cars.

I short time later RiverCom dispatch informed me of at least two callers reporting a recklessly driven vehicle that nearly struck them. One caller stated that she thought the vehicle threw something out the window at 3rd St and Eastmont Ave. I drove to the area and did not locate anything.

I then drove to Cedars Inn and spoke with the front desk. I told them where the vehicle was parked and that I observed the occupants exit a room on the ground floor with slider access on the east side of the building. The attendant advised me that she had just checked out room 118 and in that room was rented

by Nicole Cooper. Cooper being the last name of the registered owner. I asked if she could bring up the security cameras so that I could see the subjects face.

I observed a still shot of the subject and confirmed it was the person I saw driving. I could see that the person appeared to be Nicole Mullins a person whom I have had previous on duty contacts with some time ago.

I ran her name via Spillman and learned that she had an address in Mansfield where the vehicle was registered. I also saw that she had previously fled from Chelan County SO in Chelan in November in a vehicle. I ran her name and learned that she was wanted for escape community custody and had a suspended driving status in the 3rd degree.

I learned that the passenger was most likely Kye Travis based on the name given to the attendant when the checked in for their night stay. I ran Kye and saw he was on DOC supervision, had a suspended license but was not currently wanted.

Based on my investigation I believe that that there is probable cause to arrest Nicole J. Mullins for the crimes of eluding a police vehicle in that; after being given a visual and audible signal to pull over she failed to do so while driving in a manner that showed willful and wanton disregard for the safety of persons and property. In addition she did so while having a current Washington DOL status of driving while license suspended in the third degree.

INVESTIGATION:

On 2/22/2023, I completed a search warrant for BTL8839. I emailed the warrant to Judge Huber for review. At approximately 1131 hours, Judge Huber reviewed and approved the warrant.

While serving the warrant, I located a Cedars Inn key card holder on the passenger floorboard. This is consistent with Sergeant Marshall watching Mullins leave Cedars Inn and enter the vehicle. I also located a red envelope with the name "Nicole" written on it. The envelope was on the back seat floorboard.

Both items are consistent with Mullins driving and having control of the vehicle while attempting to elude a police vehicle.

I placed a copy of the warrant, the property seizure form, and a return of search warrant in the vehicle.

Nothing further.

I certify (declare) under penalty of perjury under the laws of the State of

Washington that the foregoing is true and correct.
