Request

Hello,

On June 17, 2024, I submitted the police records request form to records@aberdeenwa.gov per the instructions on this website:

<https://www.aberdeenwa.gov/291/Public-Records-Request>.

I followed up by email on September 25 and again today. I have yet to receive a reply or confirmation of receipt, so I am submitting my request here too:

Under the Washington Public Records Act, §42.56 et seq., I am requesting any/all of the following records from the Aberdeen Police Department:

- 1) A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;
- 2) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023;
- 3) Summaries of vehicle pursuit data for your agency, such as what may be contained in internal and/or external publications (annual reports, newsletters, presentations to government officials, etc.) produced between 2019 through 2023.

This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact

me with information about when I might expect copies or the ability to inspect the requested records.
