## Narrative

### Supervisor Summary

Officer Hong observed a vehicle license violation, he lost sight of the vehicle, and then located it as it drove past him. He got behind the vehicle in order to make a traffic stop.

He initiated a traffic stop and the suspect vehicle did not come to a stop; continued on E/B Burwell St. The vehicle then suddenly swerved left and took off at high-rate speed. Officer Hong immediately turned off his emergency lights and disengaged by pulling over to the side of the road.

It should be noted that at the time of the incident, his patrol vehicle did not have AXON cameras.

I reviewed the report, CAD notes, and spoke with Officer Hong. I found Officer Hong to be within policy by terminating the elude and not pursuing the vehicle.
