Synopsis:	A female with a felony warrant led police on a brief vehicle pursuit east on SR410. She was taken into custody and booked for eluding and for her warrant.
-----------	--

Narrative:	<p>On 8-16-2019 at approximately 1316 hours, I was dispatched to a welfare check in the parking lot of the Fred Meyer store, 20901 SR410 E. A passerby who identified herself as Danielle Vinluan, called 911 and reported that a black, older Ford Focus, with an unknown license, was parked outside of the Garden Center of the store (on the east side of the store). The vehicle was occupied by a female that had her eyes open, but she did not move at all and appeared unresponsive when Vinluan walked by. Vinluan was concerned about the female and requested a police response.</p> <p>Based on my law enforcement experience, the Bonney Lake police respond to calls of this type on an almost daily basis where heroin users are observed to be passed out in their vehicles in a parking lot.</p> <p>I arrived at in my department Chevy Tahoe that is fully marked with Police insignia and emergency lights. I was also in full uniform which clearly identifies me as a police officer. As I pulled into the Fred Meyer lot, I immediately saw that vehicle that had been described. I could see a female with dark hair in the drivers seat. She appeared to be slumped over toward the front passenger seat of the car and she was not moving at all. I could see that the rear cargo area of the car was full of clothing and other personal property, which</p>

gave me the impression that someone was living in this car. I also saw that the license plate of the vehicle, WA BPH9672, had what appeared to be over spray from black spray paint on the top and bottom edges of the white border of the license plate.

I contacted the female who immediately sat upright. I told her that I was checking on her welfare and she stated that she was fine and she was just looking at her phone. While this occurred, I could clearly see that the car had been spray painted black over it's original color of red and I was suspicious that the car was possibly stolen. I asked the female if she was living out of this car and she told me that she has been staying in it off and on. I asked if she needed any resources to provide assistance to her and she declined any help. I asked the female for her name and she replied that she did not have to identify herself. I asked her if she had any warrants and she said, "no," but when she answered me I saw that her hand was trembling as she spoke.

I asked her who the car belonged to and she told me that it was hers. She told me that she had purchased it from an acquaintance, Jeremy Kerr. I told her that it was somewhat suspicious that the car had been spray painted and she shrugged and replied something to the effect of, "That's how I roll." I wanted to confirm that the vehicle was not stolen so I told the female to wait for a moment and I would be right back with her.

I ran the vehicle plate, WA BPH9672, and saw that the 2005 Ford Focus had been owned by Jeremy Kerr, but there was a report of sale on 7-29-2019. The new owner was listed as Sydney R. Greene (4-13-89). I ran a records check on Greene and found that she had a felony, no bail, warrant out of Pierce County Superior Court for Malicious Mischief 1st degree. The physical descriptors on the warrant listed Greene as a white female, 5'6", 140 lbs, brown hair and brown eyes. The physical description matched the female that was in the vehicle. Based on the physical description of the female, and the female stating that she had purchased the car from Jeremy Kerr, I believed that it was extremely likely that the female in the car was Sydney Greene.

As I gathered this information, I saw the brake lights on the car get activated and I saw that the car engine had been started. A few seconds later, the car began to drive away. I followed the vehicle, without my emergency equipment activated, as it drove at normal speeds, east through the parking lot and traveled down the access road to 211th Ave E. It drove south on 211th Ave E and turned east into the parking lot of Goodwill then north in front of the Ben Franklin Crafts Store. At this time, I activated my emergency lights to stop the vehicle to detain the female on the felony, no bail warrant and due to the nature of the initial call of a welfare check, I did not know if she could safely operate a vehicle. The vehicle continued through the parking lot and began to speed up as it continued east and then north on the access road between the Burger King restaurant and the Taco Bell restaurant. As we traveled through the parking lot, the vehicle passed by several parking stalls and numerous other safe places where the driver could have pulled over.

I activated my police siren and advised dispatch on the radio that I was in pursuit of the vehicle as it went through the stop sign, without stopping, and turned eastbound on SR410. I also advised dispatch of the female's outstanding felony warrant. Traffic was fairly heavy as the vehicle continued eastbound on SR410. The vehicle changed lanes 2-3 times as it weaved around traffic and reached speeds of approximately 40 mph. The vehicle was not able to reach higher speeds due to traffic congestion. In this section of SR410, there are two eastbound lanes and two westbound lanes. There is a concrete jersey barrier that divides the eastbound and westbound lanes of travel. In the area of the 22800 block of SR410, the vehicle was slowed significantly by a large dump truck that was in the inside lane of travel and I was able to position my patrol vehicle directly behind the fleeing vehicle. As we approached 234th Ave E, the dump truck yielded to my emergency equipment and moved to the right (outside) lane. At that time, the vehicle rapidly accelerated and darted around the left side of the dump truck and began driving in the left turn lane approaching 234th Ave E.

As the vehicle again reached speeds of approximately 40 mph, I could see that westbound traffic for SR410 was stopped for the traffic light at 234th Ave E, and I could also see that there was no traffic approaching the intersection from the north (234th Ave E) or south (233rd Ave E). There were also no vehicles in the eastbound lanes near me and there was no longer a jersey barrier between eastbound and westbound lanes of travel. I took this opportunity, approached the rear passenger side of the vehicle and

Bonney Lake Police Department Arrest Report

Incident No. 1922801064.1 **COPY** Page 7 of 7

conducted a PIT maneuver, causing the back end of the vehicle to rotate in a clockwise direction. The vehicle came to a stop, facing westbound, near the middle of the intersection of 234th Ave E and SR410 E. I drove up to the vehicle until my front bumper came into contact with the front bumper of the suspect vehicle to prevent it from driving forward. I held the driver at gunpoint and ordered her to keep her hands up and not move. She complied but was yelling that she had not done anything wrong and she was being harassed. As I waited for other officers to arrive, I could see that the driver was still wearing her seatbelt and she was unharmed. After approximately 2 minutes, Officer Rice and Assistant Chief Alfano arrived along with several deputies from the Pierce County Sheriffs Department and at least one Trooper from WSP. The female was removed from the vehicle, handcuffed, and placed in the rear of my patrol car.

The female denied that she was Sydney Greene and she claimed that her name was "Stephanie Vogel." From knowing a little bit of her family history, I was aware that the last name of Greene's mother is Vogel and I was certain that she was not being truthful. Assistant Chief Alfano positively identified the female as Sydney Greene and this was also confirmed by her DOL photo. I read Greene the Miranda Rights from my department issued card. She stated that she understood her rights but did not want to answer any questions. I did not ask Greene any additional questions but that did not stop her from talking, nearly non-stop. She repeatedly asked what she did and why she was being "harassed." I repeatedly told Greene the reason that she was being stopped was due to her warrant. She also stated that she was just trying to find a safe spot to pull over before I did the PIT. I mentioned to Greene that she had a distance of over 23 blocks and one parking lot where she could have safely pulled over. Greene also mentioned that she was pregnant, but she was later taken to a hospital and this was determined to be a lie.

Officer Rice and I both took several photographs of Greene's vehicle and my patrol car in their final resting position. 15 photographs were uploaded to the BLPD X drive. The PIT maneuver resulted in a dent in the rear plastic bumper on the passenger side of Greene's car. My patrol Tahoe sustained minor damage to the push bar on the driver's side along with damage to the plastic trim and bumper on the front left corner of my vehicle.

Cascade Towing arrived to impound Greene's vehicle. I also had the tow truck driver hook a chain to the PIT bar of my patrol vehicle and bend it back out so I could drive the vehicle without the bar hitting the front tire.

I transported Greene to the Bonney Lake Police Department where she was turned over to Officer Johnston. I completed a Probable Cause statement and Officer Johnston transported Greene to the Pierce County Jail. Upon arriving at the jail, Greene complained of neck pain so the jail staff advised that Greene would need to be medically cleared before she could be booked. Officer Johnston transported Greene to Allenmore Hospital where she was cleared to go to jail and she was also found to not be pregnant.

Greene was booked into the Pierce County Jail for Eluding a Police Vehicle, Driving While Suspended 3rd degree, and for her felony no-bail warrant for Malicious Mischief 1st degree.

I later retraced the route of the pursuit and found that from where I activated my emergency equipment to where I conducted the PIT, Greene had driven approximately 1.4 miles.
