Annual reports for 2019-2022, (there isn't one for 2023 yet)
Analysis of Vehicle Pursuits 2018 2020-2023

B23-003 -Training Bulletin regarding vehicle pursuits

GO22-001 - General order regarding tracking of pursuit data

We have a change of Chiefs in 2019 and again just recently and I was unable to find the analysis of vehicle pursuits for 2019. It is possible one was not created due to the changing of chiefs.

Current Pursuit Policy

List of incidents related to eluding for the time period requested

Please note for this list of incidents, during the change in pursuit laws we made changes in data entry to attempt to capture more information on cases where we might have previously pursued, but were no longer taking that action. On the spread sheet provided the cases that are listed as items other than "Eluding" are those incidents where subject(s) fled and we did NOT take action to pursue. Starting with case number 22-M00087 and all

incidents below. I want to provide you the most information possible, therefore are including this data. If this is not the type of data you are seeking, please disregard them. If you have any questions regarding data provided, please call 360-336-6271 and ask for Jennifer.

We estimate the next installment to this request will be available on or about 7/22/2024, however if this installment is not accessed within 30 days, we will consider your request for further responsive records withdrawn and your request will be closed.

If public records become available in advance of this estimate we will contact you promptly. Conversely, if the City encounters a need to extend our estimate, we will contact you promptly with a revised estimated date.
