Narrative:	<p>VEHICLE IN MOTION:</p> <p>On June 26th, 2019 at approximately 0156 hours, I was assisting Officer Stark with a traffic stop on the west bound shoulder of Sr410 E, about the 18100 block. I was standing on the passenger side of Officer Stark's patrol vehicle when I suddenly heard and saw a truck repeatedly honking its horn, flashing its high-beam lights and had its hazard lights on coming towards us, in east bound lanes on Sr410 E. I looked back into the west bound lanes and observed a vehicle coming towards us, east bound in the west bound lanes of Sr410 E. The vehicle honking was trying to warn of the vehicle coming at us.</p> <p>The wrong way vehicle, a silver corvette drove past us and continued up the hill into the city going east bound in the west bound lanes. As I was running to my patrol vehicle and updating dispatch, I observed several vehicles driving west bound that were swerving out of the way of the wrong way vehicle.</p>

Incident No. 1917700116. **COPY** Page 9 of 10

I turned around, activating my lights and siren to catch up to the vehicle. I caught up to the vehicle as it crossed the intersection of Sky Island Dr E and Sr410 E, still in the west bound lanes. Just before the center barrier began, the vehicle swerved to the right and into the east bound lanes of Sr410 E. The vehicle was swerving all over the roadway and driving down the center of the roadway in both lanes of travel for east bound Sr410 E. The vehicle swerved to the left and hit the center barrier. The left side of the vehicle lifted up off the ground and slammed back down as the vehicle swerved back to the right. The vehicle crossed both lanes of travel and nearly struck the guardrail. The vehicle (WA/BKV6857) slowed and finally came to a stop about the 19100 block of Sr410 E.

I approached the vehicle on the driver side and found the vehicle was occupied by a white male driver with facial hair. I also observed what appeared to be vomit on the steering wheel. As I began to ask the driver to roll down his window, the driver looked at me and then straight ahead, taken off at a high rate of speed.

The vehicle turned left, going north bound onto 192nd Ave E and left again, going west bound onto Sumner-Buckely Hwy E. The roadway turned into Veterans Memorial Dr E and the vehicle turned right, going north bound on Locust Ave E. Dispatch advised the vehicle was registered to an address of 19002 77th St E, the direction of travel for the vehicle. The vehicle reached speeds of approximately 80-85 MPH on the residential roadway with a speed limit of 25 MPH. The vehicle turned right onto 80th St E where I lost sight of it going past the Bonney Lake Middle School (18715 80th St E). The roadway curved to the left, turning into 190th Ave E. As I continued north bound on 190th Ave E, I observed the vehicle pulling into a driveway on the corner of 190th Ave E and 77th St E. I turned around and pulled in behind the vehicle as the driver was running into the garage and closing the door. The vehicle was in the driveway of 19002 77th St E.

I asked Dispatch to attach a Department of Licensing (DOL) photograph of the owner, Kristopher Devers and I positively identified him as the driver of the vehicle.

## PERSONAL CONTACT:

While setting up containment on the residence, I could hear a male voice coming from an open window by the front door. I yelled at the male to come to the front door and identified us as the Police. The emergency lights on our patrol vehicle's were activated. Shortly after, an older male (not the driver) opened the door and I saw Kristopher standing behind him, now only wearing boxers.

Officer Stark and I began given Kristopher verbal commands to exit the residence, which he did. Kristopher was placed into handcuffs by Officer Stark without incident.

I could smell a strong odor of intoxicants coming from Kristopher's person. Kristopher's eyes were both bloodshot/watery and his face was flush. I had to hold onto Kristopher as we walked back to my patrol vehicle as he was swaying and stumbling.

I asked Kristopher if he was willing to do any voluntary field sobriety tests and he said "no, I want a lawyer". I then asked Kristopher if he would provide breath samples for the BAC process and he said "no".

I read Kristopher his Miranda Warnings from a pre-printed card to which he verbally acknowledged he understood with "yes". Kristopher said he was not willing to speak to me without a lawyer present.

Based on my observations, training and experience, I believe Kristopher to be under the influence and unable to operate a vehicle safely on the roadway. I advised Kristopher he was under arrest for DUI and Felony Eluding.

A handgun was visible from outside the vehicle on the passenger side floor board. Officer Vance secured the firearm for safekeeping from the vehicle. See Officer Vance's supplemental report for further information.

Kristopher's vehicle was impounded by Cascade Towing.

## ADMINISTRATIVE PROCESS:

I explained the blood draw process to Kristopher and secured him into a holding cell at the Bonney Lake Police Department while I applied for the search warrant.

I applied for and received a search warrant for Kristopher's blood which was issued by Judge Heslop at approximately 0335 hours.

Officer Stark took custody of Kristopher and transported him to Good Samaritan Hospital for the blood draw. See Officer Stark's supplemental report for further information.

After the blood draw, Kristopher was booked into the Pierce County Jail for Felony Elude and DUI.

A copy of the search warrant documents were placed into the case file.

I took custody of the blood draw and booked into the property room, placing it in locker #6 to be sent to the Washington State Toxicology lab.

The pursuit was approximately 1.7 miles in length.

Nothing further at this time.
