Dear Requester:

Pursuant to RCW 42.56.520, this is the City of Monroe's final response to your public records request received on June 15, 2024, assigned Records Request No. 24-743. This second and final installment completes Request # 2.

Request # 2: Policy manuals, rules, and regulation for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023

On June 25, 2024, we provided all records related to vehicle pursuits, other than the requested manuals in effect between 2019 and 2023. These manuals have been uploaded and released for your review. We also included all policy manuals released in 2024. Policy 307 is our Vehicle Pursuit policy and section 501.7 directs motorcycle units to comply with Policy 307. You would have to review each of the manuals to determine when changes were made to these chapters/sections of the policy manual. There are no other records responsive to Request no. 2.

The City has now fulfilled Request no. 2. The City now considers your entire records request to be fulfilled and now closed, and, therefore does not intend to further address this request. Any actions to seek judicial review of the City's response to this request must be filed within one year of this notice in accordance with RCW 42.56.550. If you believe that additional responsive

records have not been provided or if you have any questions, please call our office at 360.794.6300 or respond in writing to your request in the portal within 30 days of this message.

Sincerely,

Patricia Pendry, Administrative Manager

☑ Message to requester ^

Requester + Staff

Dear Requester:

Pursuant to 42.56.520, this is the City of Monroe's initial response to your public records request received on June 15, 2024, assigned Records Request No. 24-743. Listed below are your individual requests and the City of Monroe's responses thereto. As a reminder, the City of Monroe ("City") is under no obligation to create a public record in response to a Public Records Act request. WAC 44-14-04003(6) ("An agency is not obligated to create a new record to satisfy a records request."); Citizens for Faire Share v. State Dept. of

<u>Corrections</u>, 117 Wn.App. 411, 72 P.3d 203 (2003).

Request # 1: A list of all vehicle pursuit incidents that your agency was involved in from 2019 through 2023, as a line-level data extract from your records management system (RMS), including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law

We do not have a "vehicle pursuit" category in our RMS that would enable us to pull an extract as requested. Therefore, we do not have a responsive record to produce for this request.

Request # 2: Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023

You can access our current policy manual on our website: https://www.monroewa.gov/1069/Policy-Manual

Policy 307 is our Vehicle Pursuit policy and section 501.7 directs motorcycle units to comply with Policy 307. We are working on pulling all revisions of our policy manual for the years requested and anticipate these manuals will be made available by July 25, 2024.

Request # 3: Summaries of vehicle pursuit data for your agency, such as what may be contained in internal and/or external publications (annual reports, newsletters, presentation to government officials, etc.) produced between 2019 through 2023

When a vehicle pursuit occurs, a "Supervisor's Report of Vehicle Pursuit" form is completed. A blank copy of this form is provided. An annual report of vehicle pursuits is completed using information from these reports. We do not have an annual report of vehicle pursuits for 2019, but we do have a report for each subsequent year. These have also been provided. There are no other summaries.

The City has now fulfilled request nos. 1 and 3. The City now considers request nos. 1 and 3 as closed, and, therefore does not intend to further address these requests. Any actions to seek judicial review of the City's response to these requests must be filed within one year of this notice in accordance with RCW 42.56.550. If you believe that additional responsive records have not been provided or if you have any questions, please call our office at 360.794.6300 or respond in writing to your request in the portal within 30 days of this message.

Sincerely,

Patricia Pendry, Administrative Manager
