Greetings,

- 1) NetMentu/WebRMS is our report writing system for general police reports starting 2005-Current, LEA database was used for tracking vehicle pursuits from 2018-2023 and now we use Blue Teams for tracking pursuits from 2023-Current.
- 2)The earliest we started tracking pursuits in an RMS appears to be 2018.
- 3)We don't really have a list, but the information we do have was sent with the last release.
- 4)Sent with the last release of information
- 5) Sent with last release
- 6) Sent with last release
- 7) Can be found in Policy 306
- 8) Can be found in Policy 306

Alot of the information is included in different places and it is all mixed together in the records provided with the last release. If it seems like something is missing feel free to reach out to me. We really want to make sure you have everything you ask for. I am going to close out the request as I believe I have provided everything we have, but if feel like there is additional information not yet provided, we can always re-open your request.

City of Sumner Public Request No. 24-205

We have released records responsive to your request today, there may be additional records we are continuing to search for.

The City needs additional time to respond to your records request due to high volume of public records requests currently being processed as well as staffing and workload concerns. We now estimate we will be able to provide you with the records or the next installment on or before May 9, 2024.

City of Sumner Public Request No. 24-205

The City is working on your request for the following:

Under the Washington Public Records Act, §42.56 et seq., I am requesting any/all of the following records from the Sumner Police Department:

- 1) The name and version of the record management software and/or system (RMS) that your agency currently uses to maintain data on vehicle pursuits, if any;
- 2) The year that your agency first began keeping track of data on vehicular pursuits in an RMS if any, the name and version of the RMS used at that time, and whether a continuous set of electronic records are currently available since you first began recording pursuits in an RMS;;
- 3) A list of all vehicle pursuits that your agency was involved in from 2019 through 2023, including incident date, report number, and any/all other RMS data fields that are not required to be redacted by law;
- 4) Policy manuals, rules, and regulations for your agency relating to vehicle pursuits, including record-keeping and data collection on pursuits, that were in effect between 2019 and 2023:
- 5) Reports, data and/or summary statistics, and analyses related to vehicle pursuits produced by your agency between 2019 and 2023 in accordance with your agency's policies, rules, and regulations.
- 6) Internal and external publications by your agency (e.g. monthly/annual reports, newsletters, materials provided to government officials) produced between 2019 through 2023 containing vehicle pursuits data and/or summary statistics;
- 7) Reports by your agency produced between 2019 through 2023 relating to vehicle pursuits produced in accordance

WASPC accreditation standards and/or model policies;

8) Reports by your agency produced between 2019 through 2023 relating to vehicle pursuits as required by local, state, or federal law;

Where possible, I would like the records provided electronically. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

The City needs additional time to respond to your records request due to high volume of public records requests currently being processed as well as staffing and workload concerns. We now estimate we will be able to provide you with the records or the next installment on or before April 18, 2024.

In accordance with the Public Records Act, RCW 42.56, this "5-day letter" acknowledges receipt of your request for records sent through the NextRequest Portal and received by City of Sumner.

Should your request involve identifiable records within the City's possession, the city will respond by either:

A. Making the records available for inspection or copying within five business days following the date your request was received;

B. Providing a reasonable estimate of when records will be available based upon a number of factors including time necessary to conduct a thorough search and redact or exempt records where appropriate, and staff availability; or

C. Denying the request because (1) it does not make a request for identifiable records, (2) the City is not in possession of any responsive records, or (3) all requested records are exempt from disclosure by law.

Please be advised, per Ordinance No. 2607 - Public Records Requests, certain fees may apply to responsive records. All correspondence related to your request will be through the NextRequest Portal
