Request

Under the Washington Public Records Act, §42.56 et seq., I am requesting the following records from the Stevens County Sheriff's Office:

- All policy manuals in effect between 2015 and 2023
- All annual reports from 2015 to 2023

Where possible, I would like the records provided electronically. This information is not being sought for commercial purposes. The Washington Public Records Act requires a response to this request be made within five (5) business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny part or all of my request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for your assistance.
