Request

Hello,

This is a follow up request to Request 24-239, fullfilled by Haylie Truesdel. I originally requested data from vehicle pursuits involving your Port Townsend Police Dept. between 2019 and 2023. Haylie sent a .txt file labeled "Eluding Incident 23-07810." I just wanted to confirm that this means there was only one eluding incident during the time period in question, correct? Could we please get the incident report from that pursuit? We do not need any body cam or dash cam footage, just written materials. Thank you!
