Narrative

Supervisor Summary

I reviewed reports regarding this detail. Officer Chesney did not have a dash cam due to driving a loaner vehicle. Cpl. Ejde did have dash cam footage.

At approx. 0758 hrs Officer Chesney was on a traffic stop on Kitsap Way when he observed a black Chevy truck driving recklessly past his stop. He cleared his stop and attempted to re-locate the truck. He located it at the 1300 block of Callow Ave. The driver jumped into the truck and took off at a high rate. The truck then ran a red light on 11th St and was last seen on e/b 11th St. Officer Chesney did not have a chance to turn on his lights or get turned around before the truck was no longer in sight.

Shortly thereafter Cpl. Ejde located the vehicle on s/b Chester at 9th. Cpl. Chesney attempted to overtake the vehicle for a traffic stop, but it immediately took off at a high rate.   Cpl Ejde terminated his attempt to overtake within in 10 seconds and advised the vehicle was eluding him. It was last seen on w/b 6th St and Cpl. Ejde pulled to the side of the road. Several other officers observed the truck driving recklessly around this time and later in the afternoon, but there were no further attempts to stop it.

The truck was later determined to be a stolen vehicle associated to suspect, Theodore Marty.

Officer actions were in compliance state law and BPD Policy.
